- (1) An applicant for registration and designation to practice as an advanced registered nurse practitioner shall file with the board a written application for registration and designation and submit evidence, verified by oath, that the applicant has completed an organized postbasic program of study and clinical experience acceptable to the board; has fulfilled the requirements of KRS 214.615(1); is certified by a nationally established organization or agency recognized by the board to certify registered nurses for advanced nursing practice; and is able to understandably speak and write the English language and to read the English language with comprehension.
- (2) The board may issue a registration to practice advanced registered nursing to an applicant who holds a current active registered nurse license issued by the board or holds the privilege to practice as a registered nurse in this state and meets the qualifications of subsection (1) of this section. An advanced registered nurse practitioner shall be designated by the board as a nurse anesthetist, nurse midwife, nurse practitioner, or clinical nurse specialist.
- (3) The applicant for registration and designation or renewal thereof to practice as an advanced registered nurse practitioner shall pay a fee to the board as set forth in regulation by the board.
- (4) An advanced registered nurse practitioner shall maintain a current active registered nurse license issued by the board or hold the privilege to practice as a registered nurse in this state and maintain current certification by the appropriate national organization or agency recognized by the board.
- (5) Any person who holds a registration and designation to practice as an advanced registered nurse practitioner in this state shall have the right to use the title "advanced registered nurse practitioner" and the abbreviation "ARNP." No other person shall assume the title or use the abbreviation or any other words, letters, signs, or figures to indicate that the person using the same is an advanced registered nurse practitioner. No person shall practice as an advanced registered nurse practitioner unless registered under this section.
- (6) Any person heretofore registered as an advanced registered nurse practitioner under the provisions of this chapter who has allowed the registration to lapse may be reinstated on payment of current fee and by meeting the provisions of this chapter and regulations promulgated by the board pursuant to the provisions of KRS Chapter 13A.
- (7) The board may authorize a person to practice as an advanced registered nurse practitioner temporarily and pursuant to applicable regulations promulgated by the board pursuant to the provisions of KRS Chapter 13A if the person is awaiting the results of the national certifying examination for the first time or is awaiting licensure by endorsement. A person awaiting the results of the national certifying examination shall use the title "ARNP Applicant" or "ARNP App."

- (8) Before an advanced registered nurse practitioner engages in the prescribing or dispensing of nonscheduled legend drugs as authorized by KRS 314.011(8), the advanced registered nurse practitioner shall enter into a written "Collaborative Agreement for the Advanced Registered Nurse Practitioner's Prescriptive Authority for Nonscheduled Legend Drugs" (CAPA-NS) with a physician that defines the scope of the prescriptive authority for nonscheduled legend drugs.
- (9) Before an advanced registered nurse practitioner engages in the prescribing of Schedules II through V controlled substances as authorized by KRS 314.011(8), the advanced registered nurse practitioner shall enter into a written "Collaborative Agreement for the Advanced Registered Nurse Practitioner's Prescriptive Authority for Controlled Substances" (CAPA-CS) with a physician that defines the scope of the prescriptive authority for controlled substances.
 - (a) The advanced registered nurse practitioner shall notify the Kentucky Board of Nursing of the existence of the CAPA-CS and the name of the collaborating physician and shall, upon request, furnish to the board or its staff a copy of the completed CAPA-CS. The Kentucky Board of Nursing shall notify the Kentucky Board of Medical Licensure that a CAPA-CS exists and furnish the collaborating physician's name.
 - (b) The CAPA-CS shall be in writing and signed by both the advanced registered nurse practitioner and the collaborating physician. A copy of the completed collaborative agreement shall be available at each site where the advanced registered nurse practitioner is providing patient care.
 - (c) The CAPA-CS shall describe the arrangement for collaboration and communication between the advanced registered nurse practitioner and the collaborating physician regarding the prescribing of controlled substances by the advanced registered nurse practitioner.
 - (d) The advanced registered nurse practitioner who is prescribing controlled substances and the collaborating physician shall be qualified in the same or a similar specialty.
 - (e) The CAPA-CS is not intended to be a substitute for the exercise of professional judgment by the advanced registered nurse practitioner or by the collaborating physician.
 - (f) Before engaging in the prescribing of controlled substances, the advanced registered nurse practitioner shall:
 - 1. Have been registered to practice as an advanced registered nurse practitioner for one (1) year with the Kentucky Board of Nursing; or
 - 2. Be nationally certified as an advanced registered nurse practitioner and be registered, certified, or licensed in good standing as an advanced registered nurse practitioner in another state for one (1) year prior to applying for licensure by endorsement in Kentucky.
 - (g) Prior to prescribing controlled substances, the advanced registered nurse practitioner shall obtain a Controlled Substance Registration Certificate through the U.S. Drug Enforcement Agency.

- (h) The CAPA-CS shall be reviewed and signed by both the advanced registered nurse practitioner and the collaborating physician and may be rescinded by either party upon written notice via registered mail to the other party, the Kentucky Board of Nursing, and the Kentucky Board of Medical Licensure.
 - (i) The CAPA-CS shall state the limits on controlled substances which may be prescribed by the advanced registered nurse practitioner, as agreed to by the advanced registered nurse practitioner and the collaborating physician. The limits so imposed may be more stringent than either the schedule limits on controlled substances established in KRS 314.011(8) or the limits imposed in regulations promulgated by the Kentucky Board of Nursing thereunder.
- (10) Nothing in this chapter shall be construed as requiring an advanced registered nurse practitioner designated by the board as a nurse anesthetist to enter into a collaborative agreement with a physician, pursuant to this chapter or any other provision of law, in order to deliver anesthesia care.
