

224.50-852 Waste tire program -- Administrative regulations.

- (1) A waste tire program is created to manage waste tires which for the purposes of KRS 224.50-850 to 224.50-880 shall include:
 - (a) Tires not used for their original, intended purpose due to wear or damage;
 - (b) Used tires stored for resale; and
 - (c) Processed waste tire material.
- (2) The cabinet may promulgate administrative regulations to implement the waste tire program.

Effective: July 15, 1998

History: Created 1998 Ky. Acts ch. 529, sec. 2, effective July 15, 1998.
