

247.045 Duties of experiment station concerning control of black shank and other tobacco plant diseases.

The Kentucky Agricultural Experiment Station shall carry on and extend the present program in the field of tobacco breeding, research and education for the control of black shank and other diseases in tobacco. For this purpose there shall be available to the Kentucky agricultural experiment station, such sums as may, from time to time, be appropriated by the General Assembly for the purpose.

Effective: June 19, 1952

History: Created 1952 Ky. Acts ch. 27, sec. 1, effective June 19, 1952.
