

247.5061 Promotion for small grain production.

It is declared to be in the interest of the public welfare that Kentucky farmers who are producers of small grains shall be permitted and encouraged to act jointly and in cooperation with all producers, handlers, dealers, and processors of small grains in promoting and stimulating, by utilization research, market maintenance and expansion, and education, the increased use and sale, domestic and foreign, of small grains and small grains products; and for the prevention, modification, or elimination of trade barriers which obstruct the free flow of small grains and small grains products to market.

Effective: July 13, 1990

History: Created 1990 Ky. Acts ch. 397, sec. 1, effective July 13, 1990.
