

262.715 Formation of districts in areas involving more than one soil conservation district -- Filing petition -- Board of supervisors.

If the proposed watershed conservancy district lies in more than one soil conservation district, the petition may be presented to the board of supervisors of any one of such districts and the supervisors of all such districts shall act as a joint board of supervisors in the formation and supervision of such a watershed conservancy district except in the election of directors where each soil conservation district board of supervisors shall supervise the election, or appointments to fill vacancies, of directors to represent their district on the conservancy district board of directors.

History: Amended 1964 Ky. Acts ch. 117, sec. 7. -- Created 1956 Ky. Acts ch. 203, sec. 4.

Legislative Research Commission Note. This section was repealed by 1984 Acts chapter 100, sec. 30. However, the repeal was abrogated by 1984 Acts Chapter 218, sec. 8, so the section remains in effect.
