

267.430 Expenses apportioned among districts.

The board shall keep a correct account of the time spent by it, and by each employee, and of each item of expense incurred in connection with any district, and shall charge such time or expense to the district for which it was done. Where the time or expense is applied to more than one district at the same time, it shall be apportioned between them. The compensation of any employee who is paid on a salary basis shall be apportioned by the board in such manner as seems equitable to it, and paid out of the funds to the credit of the several districts under the charge of the board.
