

281.750 Identification of motor vehicles.

In order that motor vehicles may be properly identified and for the purpose of preventing tax evasion, the department may, by regulations, require such vehicles to display or have painted upon the same such signs, numbers or other identification as may be reasonably necessary.

Effective: June 15, 1950

History: Created 1950 Ky. Acts ch. 63, sec. 37, effective June 15, 1950.
