

56.8179 Building and construction code requirements.

A building constructed and leased to the Commonwealth under a built-to-suit lease agreement shall be constructed:

- (a) In accordance with all applicable state and national safety, building, and construction code requirements; and
- (b) To last, at a minimum, for a period of thirty (30) years.

Effective: July 14, 1992

History: Created 1992 Ky. Acts ch. 54, sec. 11, effective July 14, 1992.
