

77.235 Violations.

It shall be considered a violation of this chapter for any person to:

- (1) Knowingly make any false statement in any application for a permit or in any information, analyses, plans, or specifications submitted either in conjunction therewith, or at the request of the air pollution control officer; or
- (2) Build, erect, alter, replace, use, or operate any source capable of emitting air contaminants for which a permit is required by the regulations of the air pollution control district when his permit so to do has been either suspended or revoked; or
- (3) Build, erect, alter, replace, use, or operate any source capable of emitting air contaminants without first obtaining a permit so to do, where such permit is required by the regulations of the air pollution control board; or
- (4) Build, erect, alter, or replace, operate or use any such article, machine, equipment, or other contrivance contrary to the provisions of any permits issued under regulations adopted pursuant to KRS 77.180 to 77.240; or
- (5) Violate any order, rule, or regulation of an air pollution control district. Every day or portion thereof during which such violation occurs or continues is a separate offense; or
- (6) Fail or neglect to furnish information, analyses, plans, or specifications required by the air pollution control officer.
