

311A.115 Educational course and continuing education on AIDS for paramedics.

The Kentucky Board of Emergency Medical Services shall, by regulation, require an applicant for licensure as a paramedic to have completed a board or Cabinet for Health and Family Services-approved educational course on the transmission, control, treatment and prevention of the human immunodeficiency virus and acquired immunodeficiency syndrome with an emphasis on appropriate behavior and attitude change. The board shall require continuing education that updates this training at least one (1) time every ten (10) years that is consistent with and as required for other health care providers under KRS 214.610.

Effective: June 20, 2005

History: Amended 2005 Ky. Acts ch. 99, sec. 594, effective June 20, 2005. -- Repealed, reenacted, renumbered, and amended 2002 Ky. Acts ch. 211, sec. 45, effective July 15, 2002. -- Amended 1998 Ky. Acts ch. 426, sec. 539, effective July 15, 1998. -- Created 1990 Ky. Acts ch. 443, sec. 60, effective July 13, 1990.

Formerly codified as KRS 311.653.
