Contents of lab report.**

- (1) A medical laboratory shall examine human specimens only at the request of a licensed physician, podiatrist, dentist, or other person authorized by law to use the findings of medical laboratory examinations. The results of a test shall be reported to the licensed health care provider who requested it.
- (2) Medical laboratory results may be transmitted to:
  - (a) Any health care provider who is treating the patient;
  - (b) An electronic health information exchange or network for the purposes of transmitting medical laboratory results to the ordering provider and to any other provider for the purposes of treatment, payment, or operations if patient consent has been obtained under the federal Health Insurance Portability and Accountability Act of 1996, Pub. L. No. 104-191; and
  - (c) An electronic health information exchange or network for the purpose of meeting the requirements of the American Recovery and Reinvestment Act of 2009, Pub. L. No. 111-5, and its related federal regulations.
- (3) All transactions under subsection (2) of this section shall be in compliance with the federal Health Insurance Portability and Accountability Act of 1996, Pub. L. No. 104-191.
- (4) Laboratory reports shall include the name of the director and the name and address of the medical laboratory in which the test was actually performed. All specimens accepted by a medical laboratory shall be tested on the premises except that specimens for infrequently performed tests may be forwarded for examination to another medical laboratory licensed under this chapter or to a medical laboratory located outside this state if licensed or approved by the appropriate agency of the state concerned.
