

350.485 Promotion of research and data collection on simplified procedures to determine their validity with respect to restoration of soil productivity on mined prime farmlands.

The cabinet shall encourage research and data collection to determine the validity of using a soil test or other simplified procedure to determine if mined prime farmland soils will meet yield requirements.

Effective: July 14, 1992

History: Created 1992 Ky. Acts ch. 284, sec. 2, effective July 14, 1992.
