

352.210 Conduct in mine -- Intoxication, alcoholic beverage or controlled substance prohibited -- Notification to executive director of violations of substance- or alcohol-abuse policies.

- (1) No person shall knowingly injure any shaft, lamp, instrument, air course, or brattice; obstruct or throw open airways; disturb any part of the machinery or appliances; open a door used for directing ventilation without closing it afterwards; enter any part of a mine against caution; disobey any order given in carrying out any of the provisions of KRS Chapter 351 or 352; or do any act endangering the life or health of any person employed in the mine or endangering the security of the mine.
- (2) No person shall enter or be on any licensed facility while intoxicated or under the influence of alcohol or a controlled substance or be in possession of any alcoholic beverage or controlled substance at any licensed facility; provided, however, this shall not apply to private vehicles driven to and from the mine.
- (3) The licensee shall notify the executive director, by the close of the next business day, of any certified persons who have been discharged for violation of the company's substance-abuse or alcohol-abuse policies or who tested positive and failed to complete an employee assistance program.
