The actuarial equivalent to be contributed under this subsection shall be determined by the retirement system's actuary. These contributions shall be in lieu of those contributions required under subparagraph 1. of this paragraph.
 3. When the medical insurance fund established under KRS 161.420(5) achieves a sufficient prefunded status as determined by the retirement system's actuary, the board of trustees shall recommend to the General Assembly that the contributions required under subparagraphs 1. and 2. of this paragraph shall, in an actuarially accountable manner, be either decreased, suspended, or eliminated.
- (d) Payments authorized by statute that are made to retiring members, who became members of the system before July 1, 2008, for not more than sixty (60) days of unused accrued annual leave shall be considered as part of the member's annual compensation, and shall be used only for the member's final year of active service. When a member retires, if it is determined that he has made contributions on a salary in excess of the amount to be included for the purpose of calculating his final average salary, any excess contribution shall be refunded to him in a lump sum at the time of the payment of his first retirement allowance. In the event a member is awarded a court-ordered back salary payment the employer shall deduct and remit the member contribution on the salary payment, plus interest to be paid by the employer, to the retirement system unless otherwise specified by the court order.

The picked-up member contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982, by the member contribution, and the picked-up member contribution shall be in lieu of a member contribution. Each employer shall pay these picked-up member contributions from the same source of funds which is used to pay earnings to the member. The member shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. Member contributions picked-up after August 1, 1982, shall be treated for
