

433.906 Secondary metals recycler to maintain equipment to receive notifications of stolen restricted metals, ferrous metals, and nonferrous metals -- Change in contact information to be reported to Office of Occupations and Professions.

- (1) A secondary metals recycler shall maintain at its place of business, or otherwise have immediate access to, an e-mail address, facsimile, or other equipment of similar function on which notifications of stolen restricted metals, ferrous metals, and nonferrous metals may be expeditiously received from law enforcement officials or electronic metal theft notification systems.
- (2) The equipment shall be operable at all times during the secondary metal recycler's customary business hours. The secondary metals recycler shall notify the Office of Occupations and Professions of the Public Protection Cabinet within two (2) days of any change to the contact information used for the purposes of this section.

Effective: July 12, 2012

History: Created 2012 Ky. Acts ch. 91, sec. 4, effective July 12, 2012.
