

76.326 Compliance with KRS 65A.010 to 65A.090.

The board shall comply with the provisions of KRS 65A.010 to 65A.090.

Effective: March 21, 2013

History: Created 2013 Ky. Acts ch. 40, sec. 31, effective March 21, 2013.

Legislative Research Commission Note (3/21/2013). This statute refers to "the board," although under KRS 76.315 the governing body of a sewer construction district is a commission. The context in which this statute was enacted suggests that a reference to such a commission, rather than to a board, was intended. The statute was created as part of a series of sections in a bill (Sections 29 to 31 of 2013 Ky. Acts ch. 40), each of which read, "The board shall comply with the provisions of Sections 1 to 9 of this Act." In the other sections in this series, the phrase "the board" refers to the governing body of a special purpose governmental entity. It appears that a similar reference was intended to appear in this statute.
