 - (o) Overseeing the development of a statewide geographic information plan with input from the Geographic Information Advisory Council;
 - (p) Developing for state executive branch agencies a coordinated security framework and model governance structure relating to the privacy and confidentiality of personal information collected and stored by state executive branch agencies, including but not limited to:
 - 1. Identification of key infrastructure components and how to secure them;
 - 2. Establishment of a common benchmark that measures the effectiveness of security, including continuous monitoring and automation of defenses;
 - 3. Implementation of vulnerability scanning and other security assessments;
 - 4. Provision of training, orientation programs, and other communications that increase awareness of the importance of security among agency employees responsible for personal information; and
 - 5. Development of and making available a cyber security incident response plan and procedure; and
 - (q) Preparing proposed legislation and funding proposals for the General Assembly that will further solidify coordination and expedite implementation of information technology systems.
- (2) The Commonwealth Office of Technology may:

- (a) Provide general consulting services, technical training, and support for generic software applications, upon request from a local government, if the executive director finds that the requested services can be rendered within the established terms of the federally approved cost allocation plan;
 - (b) Promulgate administrative regulations in accordance with KRS Chapter 13A necessary for the implementation of KRS 42.720 to 42.742, 45.253, 171.420, 186A.040, 186A.285, and 194A.146;
 - (c) Solicit, receive, and consider proposals from any state agency, federal agency, local government, university, nonprofit organization, private person, or corporation;
 - (d) Solicit and accept money by grant, gift, donation, bequest, legislative appropriation, or other conveyance to be held, used, and applied in accordance with KRS 42.720 to 42.742, 45.253, 171.420, 186A.040, 186A.285, and 194A.146;
 - (e) Make and enter into memoranda of agreement and contracts necessary or incidental to the performance of duties and execution of its powers, including, but not limited to, agreements or contracts with the United States, other state agencies, and any governmental subdivision of the Commonwealth;
 - (f) Accept grants from the United States government and its agencies and instrumentalities, and from any source, other than any person, firm, or corporation, or any director, officer, or agent thereof that manufactures or sells information resources technology equipment, goods, or services. To these ends, the Commonwealth Office of Technology shall have the power to comply with those conditions and execute those agreements that are necessary, convenient, or desirable; and
 - (g) Purchase interest in contractual services, rentals of all types, supplies, materials, equipment, and other services to be used in the research and development of beneficial applications of information resources technologies. Competitive bids may not be required for:
 - 1. New and emerging technologies as approved by the executive director or her or his designee; or
 - 2. Related professional, technical, or scientific services, but contracts shall be submitted in accordance with KRS 45A.690 to 45A.725.
- (3) Nothing in this section shall be construed to alter or diminish the provisions of KRS 171.410 to 171.740 or the authority conveyed by these statutes to the Archives and Records Commission and the Department for Libraries and Archives.
- (4) The Commonwealth Office of Technology shall, on or before October 1 of each year, submit to the Legislative Research Commission a report in accordance with KRS 57.390 detailing:
