

212.372 Classifications based upon financial ability.

In establishing such schedules the board may make reasonable classifications based upon the financial ability of persons to pay and may vary the charge in accordance with such classifications but no fees or charges shall in any event exceed the approximate cost of rendering the service, including drugs, pharmaceuticals, dressings, medicines or other materials used.

Effective: March 24, 1952.

History: Created 1952 Ky. Acts ch. 65, sec. 2, effective March 24, 1952.
