

**217.911 Exemption of drugs because of size or unique characteristics.**

The board may exempt a particular drug product from the requirements of KRS 217.907, upon application of a manufacturer or distributor showing that the drug product's size, texture, or other unique characteristics render imprinting impractical or impossible.

**Effective:** July 15, 1982

**History:** Created 1982 Ky. Acts ch. 5, sec. 4, effective July 15, 1982.
