**Kentucky Horse Racing Commission**  
**(New Administrative Regulation)**

**810 KAR 8:050. International Medication Protocol as a Condition of a Race.**

RELATES TO: KRS 230.210, 230.215, 230.240, 230.260, 230.290, 230.320

STATUTORY AUTHORITY: KRS 230.215, 230.240, 230.260, 230.290, 230.320

NECESSITY, FUNCTION, AND CONFORMITY: KRS 230.215(2) authorizes the Kentucky Horse Racing Commission to promulgate administrative regulations prescribing conditions under which all legitimate horse racing and wagering thereon is conducted in Kentucky. KRS 230.240(2) requires the commission to promulgate administrative regulations restricting or prohibiting the administration of drugs or stimulants or other improper acts to horses prior to the horse participating in a race. This administrative regulation authorizes licensed racing associations to require adherence to International Medication Protocol, as defined, as a condition of entry in a particular race.

Section 1. Definition. "International Medication Protocol" means a condition of a race that all horses nominated or entered to compete in the race shall not be administered furosemide less than twenty-four (24) hours prior to post time for the race.

Section 2. Notwithstanding any other provision of KAR Title 810 to the contrary, an association may require adherence to the International Medication Protocol as a condition of a particular race. The association shall publish the requirement in its condition book or otherwise make the requirement known to all licensees participating in its race meeting. The horses entered to compete in an International Medication Protocol race shall not be eligible to receive furosemide less than twenty-four (24) hours prior to post time for the race. All matters related to sample collection, ownership, storage, shipment, chain of custody, testing, and reporting and other applicable provisions shall be done in accordance with 810 KAR 8:010, 810 KAR 8:030, and 810 KAR 8:060.

Section 3. Penalties. If the commission laboratory determines the presence of furosemide at a concentration of greater than 1,000 picograms/ml in a serum sample, derived post-race from a horse that is not eligible to receive furosemide pursuant to this administrative regulation, it shall be prima facie evidence that furosemide was administered to the horse in violation of this administrative regulation. Violations of this administration regulation shall be subject to the penalties provided for Class C drug violations in 810 KAR 8:030 Section 4(3).

Section 4. To the extent of any conflict between a provision in this administrative regulation and a provision in any other administrative regulation contained in KAR Title 810, the provisions in this administrative regulation shall supersede.

FRANKLIN S. KLING, JR., Chairman

K. GAIL RUSSELL, Acting Secretary

APPROVED BY AGENCY: November 13, 2018

## REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: John L. Forgy

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes a procedure by which licensed racing association may opt to run races without the use of furosemide (Lasix).

(b) The necessity of this administrative regulation: This administrative regulation is necessary to clearly establish requirements and prohibitions concerning the use of medications during race meetings.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 230.215(2) and 230.260(8) authorize the Commission to promulgate administrative regulations prescribing the conditions under which racing shall be conducted in Kentucky. KRS 230.240(2) authorizes the commission to promulgate administrative regulations restricting or prohibiting the use and administration of drugs or stimulants or other improper acts to horses prior to horses participating in a race. This administrative regulation establishes the requirements, prohibitions, and procedures pertaining to the use of medications on racing days during horse race meetings in Kentucky.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation ensures that medications are used appropriately on racing days and in a manner that is consistent with the integrity of racing.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statute: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: The Kentucky Horse Racing Commission is affected by this administrative regulation. In addition, Kentucky's licensed thoroughbred race tracks, and all individual participants in horse racing, are potentially affected by this ad-

ministrative regulation's establishment of fundamental rules pertaining to the use of medication in horse racing. In the year 2017, the Commission licensed over 22,000 individuals to participate in horse racing. This number is consistent from year to year.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Participants in horse racing, and especially owners, trainers and veterinarians, will be required to adhere to the requirements and rules set forth in this administrative regulation pertaining to the use of medication in horse racing.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): No new costs are anticipated to comply with this administrative regulation.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3)? Participants in racing will benefit from clearly defined rules that enhance the integrity of racing.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no initial administrative cost to implement this administrative regulation.

(b) On a continuing basis: There is no continuing cost to implement this administrative regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: Kentucky's racing associations are required by KRS 230.240(2) to pay for the cost of testing for prohibited medications. The Kentucky Horse Racing Commission covers other costs of implementing and enforcing this administrative regulation.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No additional fees or funding are necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish any new fees or increase any current fees to participate.

(9) TIERING: Is tiering applied? Tiering was not applied because this administrative regulation will apply to all similarly situated entities in an equal manner.
