AN ACT relating to medical cannabis and making an appropriation therefor.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

For the purposes of Sections 1 to 29 of this Act, unless the context otherwise requires:

(1) "Area development district" means the geographic boundaries by county of the fifteen (15) area development districts established in KRS 147A.050. The use of the term "area development district" does not include or imply control by the boards of directors for the area development districts of any aspect of the medical cannabis program established in Sections 1 to 29 of this Act or control of any trust funds established in Section 31 or 32 of this Act;

(2) "Bona fide practitioner-patient relationship" means that:

(a) A practitioner and patient have a treatment or consulting relationship, during the course of which the practitioner has completed an assessment of the patient's medical history and current medical condition, including an appropriate physical examination;

(b) The practitioner has consulted with the patient with respect to the patient's debilitating medical condition; and

(c) The practitioner provides follow-up care and treatment to the patient, including but not limited to physical examinations;

(3) "Cardholder" means a qualifying patient, visiting qualifying patient, or designated caregiver who has been issued and possesses a valid registry identification card;

(4) "Compassion center" means an entity licensed pursuant to Sections 1 to 29 of this Act that acquires, possesses, manufactures, delivers, transfers, transports, sells, supplies, or dispenses medical cannabis, usable medical cannabis, or related supplies and educational materials to registered qualifying patients;
(5) "Compassion center agent" means a principal officer, board member, employee, volunteer, or agent of a compassion center who is twenty-one (21) years of age or older, has not been convicted of a disqualifying felony offense, and has been registered through the department;

(6) "Cultivator" means a business entity licensed pursuant to Sections 1 to 29 of this Act that grows, processes, and delivers medical cannabis to another cultivator, processor, producer, distributor, or compassion center in accordance with Sections 1 to 29 of this Act;

(7) "Cultivator agent" means a principal officer, board member, employee, volunteer, or agent of a cultivator who is twenty-one (21) years of age or older and has not been convicted of a disqualifying felony offense and has been registered through the department;

(8) "Debilitating medical condition" means:

(a) A terminal illness, peripheral neuropathy, anorexia, cancer, glaucoma, positive status for human immunodeficiency virus, acquired immune deficiency syndrome, hepatitis C, amyotrophic lateral sclerosis, Crohn's disease, mood disorders, Alzheimer's disease, lupus, muscular dystrophy, post-traumatic stress disorder, diabetes, sleep-wake disorders, fibromyalgia, autism, ulcerative colitis, arthritis, Parkinson's disease, traumatic brain injury, Tourette syndrome, movement disorder, porphyria, neurodevelopmental disorders, feeding and eating disorders, cognitive disorders, irritable bowel syndrome, or the treatment of these conditions;

(b) A chronic or debilitating disease or medical condition or its treatment that produces one (1) or more of the following: cachexia or wasting syndrome; severe, debilitating pain; severe nausea; seizures; or severe and persistent muscle spasms, including but not limited to those characteristic of multiple sclerosis; or
(c) Any other medical condition or its treatment added by the department, as provided for in Section 8 of this Act;

(9) "Department" means the Department of Alcoholic Beverage Control or its successor agency;

(10) "Designated caregiver" means a person who:

(a) Is at least twenty-one (21) years of age;

(b) Has agreed to assist with a patient's medical use of cannabis;

(c) Has not been convicted of a disqualifying felony offense;

(d) Assists no more than three (3) qualifying patients with their medical use of cannabis; and

(e) Has been registered through the department;

(11) "Disqualifying felony offense" means:

(a) A felony offense that would qualify the person as a violent offender under KRS 439.3401; or

(b) A violation of a state or federal controlled substance law that was classified as a felony in the jurisdiction where the person was convicted, except:

1. An offense for which the sentence, including any term of probation, incarceration, or supervised release, was completed five (5) or more years earlier; or

2. An offense that consisted of conduct for which Sections 1 to 29 of this Act would likely have prevented a conviction, but the conduct either occurred prior to the enactment of Sections 1 to 29 of this Act or was prosecuted by an authority other than the Commonwealth of Kentucky;

(12) "Distributor" means a licensed entity that:

(a) Purchases medical cannabis from a cultivator, producer, or processor and delivers, transfers, possesses, transports, supplies, and sells medical
cannabis to a compassion center;

(b) Delivers, transfers, transports, and supplies medical cannabis to a safety compliance facility for testing;

(c) Possesses a license to deliver medical cannabis and a license to deliver or distribute alcoholic beverages and may deliver medical cannabis and alcoholic beverages in the same vehicle at the same time; or

(d) Operates a delivery service for cardholder patients who are not otherwise capable of transport and who do not have a caregiver under a program that may be approved by the department;

(13) "Distributor agent" means a principal officer, board member, employee, or agent of a distributor who is twenty-one (21) years of age or older and has not been convicted of a disqualifying felony offense;

(14) "Enclosed, locked facility" means:

(a) A closet, room, greenhouse, building, or other enclosed area that is equipped with locks or other security devices that permit access only by the cardholder allowed to cultivate the plants or, in the case of a cultivator, the cultivator agents working for the cultivator;

(b) A shared enclosed, locked facility used by two (2) or more qualifying patients or designated caregivers who reside in the same dwelling and have a registry identification card that removes state penalties for cannabis cultivation; or

(c) For licensed cultivators, producers, or processors, operating large-scale growing operations for sale to cardholders, distributors, or compassion centers, a secured and electronically monitored outdoor growing space that complies with department requirements;

(15) "Gross receipts" means all amounts received in money, credits, property, or other money's worth in any form, by a medical cannabis business;
(16) "Mature cannabis plant" means a cannabis plant that has flowers;

(17) (a) "Medical cannabis" or "cannabis" means all parts of the plant Cannabis sp., whether growing or not; the seeds thereof; the resin extracted from any part of the plant; and every compound, manufacture, salt, derivative, mixture, or preparation of the plant, its seeds or resin; or any compound, mixture, or preparation which contains any quantity of these substances; when utilized for medical use in pursuit of a recommendation to treat a debilitating illness by a practitioner pursuant to Sections 1 to 29 of this Act.

(b) The term "cannabis" does not include industrial hemp as defined in KRS 260.850;

(18) "Medical cannabis business" means a cultivator, compassion center, distributor, processor, producer, or a safety compliance facility licensed pursuant to Sections 1 to 29 of this Act;

(19) "Medical cannabis business agent" means a principal officer, board member, employee, or agent of a medical cannabis business who is twenty-one (21) years of age or older and has not been convicted of a disqualifying felony offense;

(20) "Medical order" means a written, electronic, or oral document, on a department-approved form, that indicates a practitioner’s signed, authorized, or given authority for a patient to acquire medical cannabis pursuant to Sections 1 to 29 of this Act;

(21) "Medical use" includes the acquisition, administration, cultivation, or manufacture in an enclosed, locked facility or the delivery, possession, transfer, transportation, or use of cannabis or supplies relating to the administration of cannabis to treat or alleviate a qualifying patient's debilitating medical condition or symptoms associated with the patient's debilitating medical condition. "Medical use" does not include cultivation by a visiting qualifying patient or cultivation by a designated caregiver or registered patient who is not designated
as being allowed to cultivate:

(22) "Practitioner" has the same meaning as in KRS 218A.010, except that if the qualifying patient's debilitating medical condition is post-traumatic stress disorder, the practitioner shall only be a licensed psychiatrist. In relation to a visiting qualifying patient, "practitioner" means a person who is licensed with authority to prescribe controlled substances to humans in the state of the patient's residence;

(23) "Processor" means a licensed entity that acquires the cultivated cannabis plant from a cultivator in order to manipulate, blend, prepare, and package medical cannabis products for sale to a licensed distributor;

(24) "Processor agent" means a principal officer, board member, employee, or agent of a processor who is twenty-one (21) years of age or older and has not been convicted of a disqualifying felony offense;

(25) "Producer" means a licensed entity that acquires medical cannabis from a cultivator and prepares, trims, or otherwise modifies raw medical cannabis plant material, packages medical cannabis, and sells medical cannabis to a licensed distributor;

(26) "Producer agent" means a principal officer, board member, employee, or agent of a producer who is twenty-one (21) years of age or older and has not been convicted of a disqualifying felony offense;

(27) "Qualifying patient" means a person who has been diagnosed by a practitioner as having a debilitating medical condition;

(28) "Registry identification card" means a document issued by the department that identifies a person as a qualifying patient or visiting qualifying patient, or a registered designated caregiver, compassion center agent, cultivator agent, producer agent, processor agent, distributor agent, safety compliance facility agent, or any agent working for a medical cannabis business;
(29) "Safety compliance facility" means an independent entity that does not have staff
or board members who own, are employed, are contracted with, or are board
members of a licensed or certified cultivator, distributor, processor, producer, or
compassion center and is licensed by the department to provide one (1) or more of
the following services:
(a) Testing cannabis produced for medical use, including for potency and
contaminants; and
(b) Training cardholders, cultivator agents, and compassion center agents. The
training may include but need not be limited to information related to one
(1) or more of the following:
1. The safe and efficient cultivation, harvesting, packaging, labeling, and
distribution of cannabis;
2. Security and inventory accountability procedures; and
3. Up-to-date scientific and medical research findings related to medical
cannabis;
(30) "Safety compliance facility agent" means a principal officer, board member,
employee, or agent of a safety compliance facility who is twenty-one (21) years of
age or older and has not been convicted of a disqualifying felony offense;
(31) "Seedling" means a medical cannabis plant that has no flowers and is larger
than eight (8) inches tall;
(32) "Usable medical cannabis" means the flowers of the cannabis plant and any
mixture, concentrate, resin, or preparation thereof, but does not include the
seeds, stalks, and roots of the plant. It does not include the weight of any
noncannabis ingredients combined with the medical cannabis, including
ingredients added to prepare a topical administration, oil, tincture, food, or drink;
(33) "Verification system" means a telephone-based and Web-based system
established and maintained by the department that is available to law
enforcement personnel and compassion center agents on a twenty-four (24) hour
basis for verification of registry identification cards, and may cross-reference or
utilize the system established in KRS 218A.202 as necessary;

(34) "Visiting qualifying patient" means a person who:

(a) Has been diagnosed with a debilitating medical condition;

(b) Possesses a valid registry identification card, or its equivalent, that was
issued pursuant to the laws of another state, district, territory,
commonwealth, insular possession of the United States, or country
recognized by the United States that allows the person to use cannabis for
medical purposes in the jurisdiction of issuance; and

(c) Is not a resident of Kentucky or who has been a resident of Kentucky for
less than thirty (30) days and prefers to have a visiting qualifying patient
distinction; and

(35) "Written certification" means a document dated and signed by a practitioner,
that:

(a) States that in the practitioner's professional opinion the patient is likely to
receive therapeutic or palliative benefit from the medical use of cannabis to
treat or alleviate the patient's debilitating medical condition or symptoms
associated with the debilitating medical condition, and indicates an amount
of medical cannabis not greater than the amount established in Section 2 of
this Act;

(b) Affirms that it is made in the course of a bona fide practitioner-patient
relationship; and

(c) Specifies the qualifying patient's debilitating medical condition.

⇒ SECTION 2. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO
READ AS FOLLOWS:

(1) A qualifying patient shall not be subject to arrest, prosecution, or denial of any
right or privilege, including but not limited to civil penalty or disciplinary action by a court or occupational or professional licensing board, for the medical use of cannabis, if the registered qualifying patient does not possess more than the practitioner-recommended plant count or equivalent active psychoactive ingredient in a processed or produced medical cannabis product as limited by subsection (2) of this section. A qualifying patient shall not possess more than:

(a) A ninety (90) day supply of his or her daily supply of medical cannabis at his or her residence;

(b) A ten (10) day supply of his or her ninety (90) day supply on his or her person, except that greater than a ten (10) day supply of a ninety (90) day supply, including up to a ninety (90) day supply, may be transported from a compassion center to a qualifying patient’s home by the patient or caregiver if the supply is sealed by the compassion center and requires at least a two (2) step process to open;

(c) Twelve (12) mature cannabis plants and twelve (12) seedlings cultivated in an enclosed, locked facility.

(2) In no case shall a produced or processed medical cannabis product intended for oral consumption as an edible, oil, or tincture exceed ten (10) milligrams per serving of delta-9 tetrahydrocannabinol. For the purposes of this section, oil intended for consumption as a vaping product shall not be limited to ten (10) milligrams per serving of delta-9 tetrahydrocannabinol.

(3) A distributor may offer a service that delivers up to a ninety (90) day supply of medical cannabis to the home of a qualifying patient or caregiver if:

(a) The service is operated through a compassion center and regulated by the department; and

(b) The medical cannabis is in a sealed package that requires a two (2) step process for the initial opening.
A designated caregiver shall not be subject to arrest, prosecution, or denial of any right or privilege, including but not limited to civil penalty or disciplinary action by a court or occupational or professional licensing board, for:

(a) Assisting a qualifying patient to whom he or she is connected through the department's registration process with the medical use of cannabis if the designated caregiver does not possess more than:

1. The amount of usable medical cannabis specified on the medical order for each qualifying patient to whom the registered caregiver is connected through the department's registration process; and

2. Twelve (12) mature cannabis plants and twelve (12) seedlings at the site where the medical cannabis is cultivated for each qualifying patient who has specified that the designated caregiver will be allowed under state law to cultivate medical cannabis for the qualifying patient; or

(b) Receiving compensation for costs associated with assisting a qualifying patient's medical use of cannabis if the designated caregiver is connected to the qualifying patient through the department's registration process.

Each qualifying patient shall be exclusively registered to one (1) designated caregiver.

All mature medical cannabis plants and seedlings possessed pursuant to this section shall be kept in an enclosed, locked facility, unless they are being transported to a permissible location, for any reason, including the reason that the cardholder is changing residences, the qualifying patient has changed his or her designation of who can cultivate, or the plants are being given to someone allowed to possess them pursuant to Sections 1 to 29 of this Act.

A visiting qualifying patient shall not be subject to arrest, prosecution, or denial of any right or privilege, including but not limited to civil penalty or disciplinary action.
(8) A qualifying patient, visiting qualifying patient, or designated caregiver shall not be subject to arrest, prosecution, or denial of any right or privilege, including but not limited to civil penalty or disciplinary action by a court or occupational or professional licensing board, for:

(a) Possession of cannabis that is incidental to medical use, but is not mature cannabis plants, seedlings, or usable medical cannabis;

(b) Selling, transferring, or delivering cannabis seeds produced by the qualifying patient, visiting qualifying patient, or designated caregiver to a compassion center;

(c) Transferring medical cannabis to a safety compliance facility for testing; or

(d) Giving medical cannabis to a qualifying patient, a compassion center, or a designated caregiver for a qualifying patient's medical use where nothing of value is transferred in return, or for offering to do the same, if the person giving the medical cannabis does not knowingly cause the recipient to possess more medical cannabis than is permitted by this section.

(9) (a) There shall be a presumption that a qualifying patient is engaged in, or a designated caregiver is assisting with, the medical use of cannabis if the qualifying patient or designated caregiver:

1. Is in possession of a valid registry identification card, or, in the case of a visiting qualifying patient, its equivalent; and

2. Is in possession of an amount of medical cannabis that does not exceed the amount allowed under this section.

(b) The presumption may be rebutted by evidence that conduct related to cannabis was not for the purpose of treating or alleviating the qualifying
patient’s debilitating medical condition or symptoms associated with the
debilitating medical condition.

(10) A practitioner shall not be subject to arrest, prosecution, or penalty in any
manner, or denied any right or privilege, including but not limited to civil penalty
or disciplinary action by the Kentucky Board of Medical Licensure or by any
other occupational or professional licensing board, solely for providing written
certifications or for otherwise stating that, in the practitioner's professional
opinion, a patient is likely to receive therapeutic or palliative benefit from the
medical use of cannabis to treat or alleviate the patient's debilitating medical
condition or symptoms associated with the debilitating medical condition, except
that nothing in Sections 1 to 29 of this Act shall prevent a practitioner from being
sanctioned for:

(a) Issuing a written certification to a patient with whom the practitioner does
not have a bona fide practitioner-patient relationship;

(b) Failing to properly evaluate a patient's medical condition; or

(c) Otherwise failing to use good faith in his or her treatment of the patient.

(11) No person may be subject to arrest, prosecution, or denial of any right or
privilege, including but not limited to civil penalty or disciplinary action by a
court or occupational or professional licensing board, for:

(a) Selling medical cannabis paraphernalia to a cardholder upon presentation
of a registry identification card in the recipient’s name that has not expired
or to a compassion center agent or safety compliance facility agent upon
presentation of an unexpired copy of the entity’s registration certificate;

(b) Being in the presence or vicinity of the medical use of cannabis as allowed
under Sections 1 to 29 of this Act; or

(c) Assisting a qualifying patient with using or administering medical
    cannabis. For purposes of illustration and not limitation, this includes
preparing a vaporizer for a registered qualifying patient’s use or brewing

tea for a qualifying patient. It does not include providing medical cannabis
to a patient that the patient did not already possess.

SECTION 3. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO
READ AS FOLLOWS:

(1) Any cannabis, cannabis supplies, lawful property, or interest in lawful property
that is possessed, owned, or used in connection with the medical use of cannabis
or acts incidental to that use, shall not be seized or forfeited. Sections 1 to 29 of
this Act shall not prevent the seizure or forfeiture of cannabis exceeding the
amounts allowed under Section 2 of this Act nor shall it prevent seizure or
forfeiture if the basis for the action is unrelated to the cannabis that is possessed,
manufactured, transferred, or used pursuant to Sections 1 to 29 of this Act.

(2) Mere possession of, or application for, a registry identification card or
registration certificate shall not constitute probable cause or reasonable
suspicion, nor shall it be used to support the search of the person, property, or
home of the person possessing or applying for the registry identification card.
The possession of, or application for, a registry identification card shall not
preclude the existence of probable cause if probable cause exists on other
grounds.

(3) For the purposes of Kentucky law and any provisions to the contrary of Sections
1 to 29 of this Act, the medical use of cannabis by a cardholder or compassion
center shall be considered lawful as long as it is in accordance with Sections 1 to
29 of this Act.

(4) No law enforcement officer employed by an agency which receives state or local
government funds shall expend any state or local resources, including the
officer’s time, to effect any arrest or seizure of medical cannabis, or conduct any
investigation, on the sole basis of activity the officer believes to constitute a
violation of the federal Controlled Substances Act, 21 U.S.C. secs. 801 et seq., if the officer has reason to believe that such activity is in compliance with Sections 1 through 29 of this Act, nor shall any such officer expend any state or local resources, including the officer’s time, to provide any information or logistical support related to such activity to any federal law enforcement authority or prosecuting entity.

(5) An attorney shall not be subject to disciplinary action by the Kentucky Bar Association or other professional licensing association for providing legal assistance to medical cannabis businesses, including prospective or licensed cultivators, compassion centers, or safety compliance facilities or others related to activity that is no longer subject to criminal penalties under state law pursuant to Sections 1 to 29 of this Act.

SECTION 4. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

Sections 1 to 29 of this Act shall not authorize any person to engage in, and shall not prevent the imposition of any civil, criminal, or other penalties for engaging in, the following conduct:

(1) Undertaking any task under the influence of medical cannabis, when doing so would constitute negligence or professional malpractice;

(2) Possessing cannabis, or otherwise engaging in the medical use of cannabis:

   (a) In a school bus;

   (b) On the grounds of any preschool or primary or secondary school;

   (c) In any correctional facility; or

   (d) On any property of the federal government;

(3) Possessing medical cannabis that is within the operator’s arm’s reach or requires less than a two (2) step process to access while operating a motor vehicle, aircraft, motorboat, or personal watercraft. The Department of Alcoholic Beverage
Control shall promulgate administrative regulations to enforce this subsection and establish acceptable standards for carrying and packaging medical cannabis;

(4) Smoking medical cannabis;
   (a) On any form of public transportation; or
   (b) In any public place;

(5) Operating, navigating, or being in actual physical control of any motor vehicle, aircraft, or motorboat or personal watercraft while under the influence of medical cannabis, except that a qualifying patient or visiting qualifying patient shall not be considered to be under the influence of cannabis solely because of the presence of metabolites or components of cannabis that appear in insufficient concentration to cause impairment; or

(6) Using medical cannabis, if that person does not have a debilitating medical condition, unless the use is otherwise in compliance with state or federal law.

 SECTION 5. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

(1) A qualifying patient who uses cannabis for medical purposes shall be afforded all the same rights under state and local law, including those guaranteed under KRS Chapter 344, as the individual would have been afforded if he or she were solely prescribed pharmaceutical medications, as they pertain to:
   (a) Any interaction with a person’s employer;
   (b) Drug testing by one’s employer; or
   (c) Drug testing required by any state or local law, agency, or government official.

(2) (a) The rights provided by this section do not apply to the extent that they conflict with an employer’s obligations under federal law or regulations or to the extent that they would disqualify an employer from a monetary or licensing-related benefit under federal law or regulations.
(b) No employer is required to allow the ingestion of medical cannabis in any workplace or to allow any employee to work while under the influence of medical cannabis.

(c) A qualifying patient shall not be considered to be under the influence of cannabis solely because of the presence of metabolites or components of cannabis that appear in insufficient concentration to cause impairment.

(3) No school or landlord may refuse to enroll or lease to, or otherwise penalize, a person solely for his or her status as a qualifying patient or a designated caregiver, unless failing to do so would violate federal law or regulations or cause the school or landlord to lose a monetary or licensing-related benefit under federal law or regulations.

(4) For the purposes of medical care, including organ transplants, a qualifying patient’s authorized use of medical cannabis is the equivalent of the authorized use of any other medication used at the direction of a practitioner, and shall not constitute the use of an illicit substance or otherwise disqualify a qualifying patient from needed medical care.

(5) A person otherwise entitled to custody of or visitation or parenting time with a minor shall not be denied such a right, and there shall be no presumption of neglect or child endangerment, for conduct allowed under Sections 1 to 29 of this Act unless the person's actions in relation to medical cannabis were such that they created an unreasonable danger to the safety of the minor as established by clear and convincing evidence.

(6) No school, landlord, or employer may be penalized or denied any benefit under state law for enrolling, leasing to, or employing a cardholder.

(7) A health facility as defined in KRS 216B.015 may develop regulations to allow a patient who is a registered cardholder to consume medical cannabis.

(8) A local school board may develop regulations to permit a pupil who is a
registered cardholder to consume medical cannabis products on the premises of a
school. However, any medical use allowed pursuant to this subsection shall not
allow smoking, vaping, or the use of vapor products.

SECTION 6. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

(1) Nothing in Sections 1 to 29 of this Act requires:

(a) A government medical assistance program or private insurer to reimburse a
person for costs associated with the medical use of cannabis; or
(b) Any person or establishment in lawful possession of property to allow a
guest, client, customer, or other visitor to smoke medical cannabis on or in
that property.

(2) Nothing in this chapter prohibits an employer from disciplining an employee for
being impaired in the workplace from the use of medical cannabis or working
while intoxicated from the use of medical cannabis.

SECTION 7. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

(1) Except as provided in Sections 2 and 3 of this Act and this section, an individual
may assert a medical purpose for using cannabis as a defense to any prosecution
of an offense involving cannabis intended for the patient's medical use, and this
defense shall be presumed valid and the prosecution shall be dismissed if the
evidence shows that:

(a) A practitioner states that, in the practitioner's professional opinion, after
having completed a full assessment of the individual's medical history and
current medical condition made in the course of a bona fide practitioner-
patient relationship, the patient is likely to receive therapeutic or palliative
benefit from medical cannabis to treat or alleviate the individual's
debilitating medical condition or symptoms associated with the individual's
debilitating medical condition;

(b) The individual and the individual’s designated caregiver, if any, were
collectively in possession of a quantity of medical cannabis that was not
more than was reasonably necessary to ensure the uninterrupted
availability of medical cannabis for the purpose of treating or alleviating
the individual's debilitating medical condition or symptoms associated with
the individual's debilitating medical condition;

(c) The individual was engaged in the acquisition, possession, cultivation,
manufacture, use, or transportation of medical cannabis, supplies, or both
medical cannabis and supplies, relating to the administration of cannabis to
treat or alleviate the individual's debilitating medical condition or symptoms
associated with the individual's debilitating medical condition; and

(d) Any cultivation of medical cannabis occurred in an enclosed, locked area
that only the person asserting the defense could access.

(2) The defense and motion to dismiss shall not prevail if either of the following are
proven:

(a) The individual had a registry identification card revoked for misconduct; or

(b) The purposes for the possession or cultivation of medical cannabis were not
solely for palliative or therapeutic use by the individual with a debilitating
medical condition who raised the defense.

(3) An individual is not required to possess a registry identification card to raise the
affirmative defense set forth in this section.

(4) If an individual demonstrates the individual's medical purpose for using
cannabis pursuant to this section, except as provided in Sections 2 and 3 of this
Act, the individual shall not be subject to the following for the individual's use of
cannabis for medical purposes:

(a) Disciplinary action by an occupational or professional licensing board; or
(b) **Forfeiture of any interest in or right to non-cannabis, lawful property.**

**SECTION 8.** A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

(1) The department shall establish a Cannabis Enforcement Program to administer and enforce the department’s duties pursuant to Sections 1 to 29 of this Act.

(2) Any citizen may petition the department to add conditions to the list of debilitating medical conditions defined in Section 1 of this Act. The department shall consider petitions in the manner required by administrative regulations promulgated by the department, including public notice and hearing. The department shall approve or deny a petition within one hundred (100) days of its submission. The approval or denial of any petition is a final decision of the department subject to judicial review. Jurisdiction and venue are vested in the Franklin Circuit Court.

(3) The department shall promulgate administrative regulations to regulate the production of medical cannabis. The administrative regulations shall include the following:

(a) Requiring a medical cannabis producer, cultivator, distributor, or processor to contract with an independent safety compliance facility to test the medical cannabis before it is sold at a compassion center. The department may approve the safety compliance facility chosen by a producer, cultivator, distributor, or processor and require that the safety compliance facility report test results for a designated quantity of medical cannabis to the producer, cultivator, distributor, or processor and department;

(b) Establishing, publishing, and annually updating a list of varieties of medical cannabis that possess a low but effective level of tetrahydrocannabinol, including the substance cannabidiol, by comparing percentages of chemical compounds within a given variety against other
varieties of cannabis;

(c) Prioritizing the development, sale, and manufacture of medical cannabis products with a low but effective level of tetrahydrocannabinol, including the substance cannabidiol, and encouraging priority access to medical cannabis containing a low but effective level of tetrahydrocannabinol, including the substance cannabidiol, for patients younger than age eighteen (18) and patients who suffer from conditions that may benefit from medical cannabis containing a low but effective level of tetrahydrocannabinol; and

(d) Establishing a rating system that tracks the terpene content of at least the twelve major terpenoids within each strain of cannabis available for medical use within the Commonwealth.

⇒ SECTION 9. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

(1) The department shall promulgate administrative regulations necessary for implementation of Sections 1 to 29 of this Act which shall include:

(a) Procedures for the issuance, renewal, suspension, and revocation of licenses issued pursuant to Sections 1 to 29 of this Act, with such procedures subject to all requirements of KRS Chapters 13A and 13B;

(b) Security requirements including lighting, physical security, video surveillance, and alarm requirements;

(c) Requirements for the secure transportation and storage of medical cannabis and products containing medical cannabis by licensees and their employees or agents;

(d) Employment and training requirements for licensees, their agents, or their employees, including requiring each licensee to create an identification badge for each of the licensee's agents or employees;

(e) Standards for medical cannabis product processors to determine the
amount of unprocessed medical cannabis that medical cannabis products
are considered the equivalent to;

(f) Requirements for the packaging and labeling of medical cannabis and
medical cannabis products sold or distributed by licensees, including:

1. Warnings for the length of time it typically takes for the product to
take effect and how long the effects will typically last;

2. The amount of medical cannabis the product is considered the
equivalent to;

3. Disclosing ingredients and possible allergens;

4. A nutritional fact panel;

5. Opaque, child-resistant packaging;

6. A requirement that edible medical cannabis products be clearly
marked with an identifiable and standardized symbol indicating that
the product contains medical cannabis; and

7. A requirement that edible medical cannabis products not be visually
reminiscent of major brands of edible noncannabis products or
otherwise present an attractive nuisance to minors;

(g) Health and safety requirements for the processing of medical cannabis and
medical cannabis products and both the indoor and outdoor cultivation of
medical cannabis by licensees;

(h) Restrictions on advertising, marketing, and signage in regard to operations
or establishments owned by licensees necessary to prevent the targeting of
minors;

(i) Restrictions on additives to medical cannabis and medical cannabis
products that are toxic or increase the likelihood of addiction;

(j) Restrictions on pesticides used during medical cannabis cultivation which
pose a threat to human health and safety;
(k) Restrictions on visits to medical cannabis cultivation and processing facilities, including requiring the use of visitor logs;

(l) A definition of the amount of delta-9 tetrahydrocannabinol that constitutes a single serving in a medical cannabis product sold at a compassion center;

(m) Standards for the safe processing of medical cannabis products created by extracting or concentrating compounds from plant materials;

(n) Requirements that evidence-based educational materials regarding dosage and impairment be disseminated to consumers who purchase medical cannabis products;

(o) Requirements for random sample testing of medical cannabis and medical cannabis products to ensure quality control, including testing for cannabinoids, terpenoids, residual solvents, pesticides, poisons, toxins, mold, mildew, insects, bacteria, and any other dangerous adulterant; and

(p) Standards for the operation of medical cannabis testing facilities including requirements for equipment and personnel qualifications.

(2) The department shall promulgate the required administrative regulations within one hundred and eighty (180) days after the effective date of this Act.

SECTION 10. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

(1) No person shall cultivate, process, produce, possess, test, transfer, or sell medical cannabis or products derived from medical cannabis in this state without first obtaining a license under this section except as provided in Section 2 of this Act.

(2) (a) The department shall create separate licenses allowing persons to operate:

1. A medical cannabis cultivator pursuant to Sections 1 to 29 of this Act;

2. A medical cannabis safety compliance facility pursuant to Sections 1 to 29 of this Act;

3. A medical cannabis distributor pursuant to Sections 1 to 29 of this Act;
Act:

4. A medical cannabis producer pursuant to Sections 1 to 29 of this Act;

5. A medical cannabis processor pursuant to Sections 1 to 29 of this Act;

and

6. A medical cannabis compassion center pursuant to Sections 1 to 29 of this Act.

(b) Each of these licensure categories may be further tiered by business size pursuant to Section 17 of this Act.

(3) A license issued under this section shall be valid for one (1) year from the date of issuance. The department shall notify each licensee ninety (90) days prior to the date the license expires to allow the licensee to begin the renewal procedure promulgated by the department pursuant to Section 9 of this Act.

(4) The licensing and renewal fees for each license created under subsection (2) of this section shall be five thousand dollars ($5,000).

(5) The Department of Alcoholic Beverage Control shall approve a license holder’s sale of a license issued pursuant to Sections 1 to 29 of this Act if the purchaser and any new facilities meet the requirements of Sections 1 to 29 of this Act.

SECTION 11. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

(1) The department shall create a uniform application form for licenses issued to operate a medical cannabis business pursuant to Sections 1 to 29 of this Act.

(2) A person applying for a license to operate a medical cannabis-related entity shall complete the application form prescribed by the department in subsection (1) of this section and return the application form to the department with the required nonrefundable application form fee of one hundred dollars ($100), except as provided in Section 23 of this Act.

(3) The department shall issue a license to operate a medical cannabis business to a
person who applies for one unless:

(a) The person has been convicted of a criminal offense which would qualify him or her as a violent offender as defined in KRS 439.3401;

(b) The person or entity requesting the license does not have the technical capability to operate a facility licensed pursuant to Section 17 of this Act;

(c) The person falsifies information on the application for a license;

(d) The person has had a previous license issued pursuant to this section revoked by the department within the previous twelve (12) months prior to his or her reapplication; or

(e) The person fails to meet the grading requirements established in Section 17 of this Act.

(4) The application form fee required under subsection (2) of this section shall be applied to the licensing fee if the license is issued; otherwise it shall be retained by the department.

SECTION 12. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

(1) The department shall issue registry identification cards to qualifying patients who submit the following, in accordance with administrative regulations promulgated by the department:

(a) A written certification issued by a practitioner within ninety (90) days immediately preceding the date of an application;

(b) If the patient is not a visiting qualifying patient, documentation required to reasonably establish proof of residency in Kentucky;

(c) If the patient is a visiting qualifying patient, a copy of his or her registry identification card or its equivalent that was issued pursuant to the laws of the jurisdiction of the person’s residence;

(d) The application or renewal fee;
(e) The name, address, and date of birth of the qualifying patient, except that if the applicant is homeless an address where the applicant may be reached shall be provided to the department;

(f) The name, address, and telephone number of the qualifying patient's practitioner;

(g) The name, address, and date of birth of the designated caregiver, if any, chosen by the qualifying patient, except that a visiting qualifying patient may not have a designated caregiver;

(h) The name of the compassion center the qualifying patient designates, if any;

(i) If the qualifying patient designates a designated caregiver, a designation as to whether the qualifying patient or designated caregiver may possess and cultivate cannabis plants for the qualifying patient's medical use. A patient's designation shall be registered by the Department of Alcoholic Beverage Control;

(j) A statement, signed by the qualifying patient, pledging not to divert cannabis to anyone who is prohibited from possessing medical cannabis pursuant to Sections 1 to 29 of this Act. The statement shall contain a listing of potential penalties for diverting cannabis; and

(k) A signed statement from the designated caregiver, if any, agreeing to be designated as the patient’s designated caregiver and pledging not to divert cannabis to anyone who is prohibited from possessing medical cannabis pursuant to Sections 1 to 29 of this Act.

(2) The application for qualifying patients' registry identification cards shall ask whether the patient would like the department to notify him or her of any clinical studies needing human subjects for research on the medical use of cannabis. The department shall notify interested patients if it is notified of studies that will be
conducted in the United States.

(3) The Department of Alcoholic Beverage Control shall establish a program that allows a compassion center to initiate and complete a fast-track process for emergency registration of a visiting qualifying patient. This emergency registration process shall be designed to be completed within three (3) hours if requested within a reasonable time before close of business.

SECTION 13. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

(1) Except as provided in subsection (2) of this section, the department shall:

(a) Verify the information contained in an application or renewal submitted pursuant to Section 11 of this Act, and acknowledge receipt of an application within fifteen (15) days of receipt, and approve or deny an application or renewal within thirty (30) days of receiving a completed application or renewal application;

(b) Issue registry identification cards to a qualifying patient and his or her designated caregiver, if any, within five (5) days of approving the application or renewal. A designated caregiver shall have a registry identification card for each of his or her qualifying patients;

(c) Enter the registry identification number of the compassion center the patient designates into the verification system as his or her main, but not exclusive, compassion center; and

(d) Establish a computer database that shall share data with all compassion centers to monitor amounts of medical cannabis purchased in real time.

(2) The department shall not issue a registry identification card to a qualifying patient who is younger than eighteen (18) years of age unless:

(a) The qualifying patient's practitioner has explained the potential risks and benefits of the medical use of cannabis to the custodial parent or legal
guardian with responsibility for health care decisions for the qualifying patient; and

(b) The custodial parent or legal guardian with responsibility for health care decisions for the qualifying patient consents in writing to:

1. Allow the qualifying patient's medical use of cannabis;
2. Serve as the qualifying patient's designated caregiver; and
3. Control the acquisition of the medical cannabis, the dosage, and the frequency of the medical use of cannabis by the qualifying patient.

SECTION 14. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

(1) The department may deny an application or renewal of a qualifying patient's registry identification card only if the applicant:

(a) Did not provide the required information or materials;
(b) Previously had a registry identification card revoked; or
(c) Provided false or falsified information.

(2) The department may deny an application or renewal for a designated caregiver chosen by a qualifying patient whose registry identification card was granted only if:

(a) The designated caregiver does not meet the requirements of Sections 1 and 2 of this Act;
(b) The applicant did not provide the information required;
(c) The designated caregiver previously had a registry identification card revoked; or
(d) The applicant or the designated caregiver provides false or falsified information.

(3) The department may conduct a criminal background check of the prospective designated caregiver.
(4) The department shall notify the qualifying patient who has designated someone to serve as his or her designated caregiver if the designated caregiver is denied a registry identification card.

(5) Denial of an application or renewal is considered a final department action, subject to judicial review. Jurisdiction and venue for judicial review are vested in the Franklin Circuit Court.

SECTION 15. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

(1) Every qualifying patient, designated caregiver, visiting qualifying patient, medical cannabis business, and agent or employee of a medical cannabis business shall apply for, receive, and carry a registry identification card.

(2) Registry identification cards shall contain all of the following:

(a) The name of the cardholder;

(b) A designation of whether the cardholder is a designated caregiver, qualifying patient, or agent of a medical cannabis business;

(c) The date of issuance and expiration date of the registry identification card;

(d) A random alphanumeric identification number of at least ten (10) characters, containing at least four (4) numbers and at least four (4) letters, that is unique to the cardholder;

(e) If the cardholder is a designated caregiver, the random alphanumeric identification number of at least ten (10) characters of the qualifying patient the designated caregiver is receiving the registry identification card to assist;

(f) A clear designation as to whether the cardholder may possess the cannabis plants for the qualifying patient's medical use, which shall be determined based solely on the qualifying patient's preference;

(g) A photograph of the cardholder, if the department’s administrative
(h) The telephone number or Web address for the verification system.

(3) (a) Except as provided in this subsection, the expiration date for registry identification cards shall be one (1) year after the date of issuance.

(b) If the practitioner stated in the written certification that the qualifying patient would benefit from medical cannabis until a specified earlier date, then the registry identification card shall expire on that date.

(4) The department may, at its discretion, electronically store in the card all of the information listed in subsection (2) of this section, along with the address and date of birth of the cardholder, to allow it to be read by law enforcement agents.

SECTION 16. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

(1) The cardholder fees shall be as follows:

(a) A registry identification card for a qualifying patient who is a Kentucky resident shall be sixty dollars ($60);

(b) A registry identification card for a visiting qualifying patient from a state or territory without a medical cannabis or medical marijuana program shall be one hundred twenty dollars ($120);

(c) 1. A registry identification card for a visiting qualifying patient from a state or territory with a medical cannabis or medical marijuana program shall be sixty dollars ($60).

2. A visiting qualifying patient who has his or her card from a state or territory with a medical cannabis or medical marijuana program may use his or her existing registry identification card, or its equivalent, from the state or territory with a medical cannabis program to utilize medical cannabis services within Kentucky and shall not be required to purchase a visiting qualifying patient registry identification card;
(d) A registry identification card for a caregiver shall be twenty dollars ($20) and an additional twenty dollars ($20) per patient card;

(e) A registry identification card for a medical cannabis business shall be three hundred dollars ($300); and

(f) 1. A registry identification card for a medical cannabis business agent shall be sixty dollars ($60).

2. An individual may apply for and receive a medical cannabis business agent card to work in the medical cannabis business field regardless of whether he or she currently works for a medical cannabis business.

(2) The following notifications to the department are required:

(a) A qualifying patient shall notify the department of any change in his or her name or address, or if the qualifying patient ceases to have his or her debilitating medical condition, within thirty (30) days of the change;

(b) A designated caregiver shall notify the department of any change in his or her name or address, or if the designated caregiver becomes aware that the qualifying patient has died, within thirty (30) days of the change or of becoming aware of the qualifying patient's death;

(c) Before a qualifying patient changes his or her designated caregiver, the qualifying patient shall notify the department of the change;

(d) When a qualifying patient changes his or her preference as to who may cultivate medical cannabis for the qualifying patient, the qualifying patient shall notify the department of the change; and

(e) If a cardholder loses his or her registry identification card, he or she shall notify the department within thirty (30) days of becoming aware the card has been lost.

(3) When a cardholder notifies the department of items listed in subsection (2) of this section, but remains eligible under Sections 1 to 29 of this Act, the department
shall issue the cardholder a new registry identification card with a new random ten (10) character alphanumeric identification number within ten (10) days of receiving the updated information and a twenty dollar ($20) fee. The department shall use this fee for the purposes expressed in subsection (5)(a) of Section 28 of this Act. If the person notifying the department is a qualifying patient, the department shall also issue his or her designated caregiver, if any, a new registry identification card within ten (10) days of receiving the updated information and a twenty dollar ($20) fee.

(4) If a qualifying patient ceases to be a qualifying patient or changes his or her designated caregiver, the department shall promptly notify the designated caregiver. The designated caregiver's protections under Sections 1 to 29 of this Act as to that qualifying patient shall expire fifteen (15) days after notification by the department.

(5) A cardholder who fails to make a notification to the department that is required by this section is subject to a violation, punishable by a penalty of no more than one hundred fifty dollars ($150).

(6) If the qualifying patient's certifying practitioner notifies the department in writing either that the qualifying patient has ceased to suffer from a debilitating medical condition or that the practitioner no longer believes the patient would receive therapeutic or palliative benefit from the medical use of cannabis, the card shall become void. A qualifying patient shall have fifteen (15) days to dispose of or give away his or her medical cannabis to a compassion center, designated caregiver, or qualifying patient.

(7) A visiting qualifying patient with a valid registry identification card, or its equivalent, that was issued pursuant to the laws of another state, district, territory, commonwealth, insular possession of the United States, or country recognized by the United States that allows the person to use cannabis for
medical purposes in the jurisdiction of issuance may use that registry
identification card for all purposes established in Sections 1 to 29 of this Act.

(8) All cardholder fees collected pursuant to this section shall be forwarded to the
medical cannabis trust fund established in Section 31 of this Act.

⇒ SECTION 17. A NEW SECTION OF KRS CHAPTER 218A IS CREATED
TO READ AS FOLLOWS:

(1) At least sixty percent (60%) of the board of each medical cannabis business
licensed pursuant to Sections 1 to 29 of this Act shall be composed of individuals
who can demonstrate three (3) years of continuous residency in Kentucky.

(2) A medical cannabis business shall demonstrate sufficient capital such that it can
establish its business and meet the medical cannabis need for its type of medical
cannabis business.

(3) The department shall establish three (3) tiers of medical cannabis-related
businesses and by January 1, 2019, shall issue at least one (1) license per each
type of medical cannabis business within each tier level.

(a) The first tier shall consist of cannabis businesses that have no more than
two million dollars ($2,000,000) of gross receipts each calendar year and
shall include producers, cultivators, distributors, processors, safety
compliance facilities, and compassion centers. The license fees for a
cannabis business operating under this tier shall be five hundred dollars
($500) plus one percent (1%) of all gross receipts derived from the sale of
medical cannabis or products that contain medical cannabis. The license
fee shall be paid to the department on or before January 30 for the
immediately following year.

(b) The second tier shall consist of cannabis businesses that have more than
two million dollars ($2,000,000) but not more than eight million dollars
($8,000,000) of gross receipts each calendar year and shall include
producers, distributors, cultivators, processors, safety compliance facilities, and compassion centers. The license fees for a cannabis business operating under this tier shall be two thousand dollars ($2,000) plus one and one-half percent (1.5%) of all gross receipts derived from the sale of medical cannabis or products that contain medical cannabis. The license fee shall be paid to the department on or before January 30 for the immediately following year.

(c) The third tier shall consist of cannabis businesses that have over eight million dollars ($8,000,000) of gross receipts each calendar year and shall include producers, distributors, cultivators, processors, safety compliance facilities, and compassion centers. The license fees shall be four thousand dollars ($4,000) plus two percent (2%) of all gross receipts derived from the sale of medical cannabis or products that contain medical cannabis. The license fee shall be paid to the department on or before January 30 for the immediately following year.

(4) Producers, cultivators, distributors, processors, safety compliance facilities, and compassion centers may only operate if they have been issued a valid license from the department. When applying for a registration certificate, the applicant shall submit the following in accordance with the department's administrative regulations:

(a) For compassion centers and distributors, an application fee in an amount not to exceed five thousand dollars ($5,000), to be used by the department for the purposes expressed in subsection (5)(a) of Section 28 of this Act;

(b) The proposed legal name of the cannabis business;

(c) The proposed physical address of the cannabis business and the proposed physical address of any additional locations, if any, where cannabis will be cultivated, processed, produced, packaged, labeled, or prepared for
distribution by the cannabis business;

(d) The name, address, and date of birth of each principal officer and board
    member of the cannabis business. All such individuals shall be at least
    twenty-one (21) years of age;

(e) Any instances in which a business or not-for-profit entity that any of the
    prospective board members managed or served on the board of was
    convicted, fined, censured, or had a registration or license suspended or
    revoked in any administrative or judicial proceeding; and

(f) Any information required by the department to evaluate the applicant
    pursuant to the competitive bidding process described in subsection (6) of
    this section.

(5) For cultivators, the following square footage limits shall apply within each of the
    tier levels established in subsection (3) of this section:

(a) A cultivator business operating within the first tier and which conducts no
    more than two million dollars ($2,000,000) of gross business receipts each
    year shall not exceed a growth area of two thousand five hundred (2,500)
    square feet or its equivalent in acreage;

(b) A cultivator business operating within the second tier and which conducts
    no more than eight million dollars ($8,000,000) of gross business receipts
    each year shall not exceed a growth area of ten thousand (10,000) square
    feet or its equivalent in acreage; and

(c) A cultivator business operating within the third tier and which conducts at
    least eight million dollars ($8,000,000) of gross business receipts each year
    shall not exceed a growth area of twenty five thousand (25,000) square feet
    or its equivalent in acreage; and

(d) Upon a showing of need for additional medical cannabis by the cannabis
    businesses, the department's own analysis, or by the request of the oversight
committee established in Section 27 of this Act, the department shall have
the authority to increase the square footage allowance of any of the tiers
established for cultivators within this subsection by up to three (3) times the
limits established in this subsection. An expansion pursuant to this
subsection shall not result in a year-end fee that is greater than that
established for the cultivator within its original tier established pursuant to
subsection (3) of this section.

(6) The department shall evaluate applications for each tier of registration certificate
using an impartial and numerically scored competitive bidding process developed
by the department in accordance with Sections 1 to 29 of this Act. The
department shall not be required to establish more cannabis businesses within an
area development district than market pressures dictate. The registration
considerations shall consist of the following criteria:

(a) The suitability of the proposed location or locations, including compliance
with any local zoning laws and the geographic convenience to patients from
throughout the Commonwealth should the applicant be approved;

(b) The principal officers’ and board members’ relevant experience, including
any training or professional licensing related to medicine, pharmaceuticals,
natural treatments, botany, or cannabis cultivation and preparation and
their experience running businesses or not-for-profit entities;

(c) The proposed cannabis business's plan for operations and services,
including its staffing and training plans, whether it has sufficient capital to
operate, and its ability to assist with the provision of an adequate supply of
medical cannabis to the registered patients in its locality, area development
district, or the state;

(d) The sufficiency of the applicant’s plans for recordkeeping;

(e) The sufficiency of the applicant’s plans for safety, security, and the
prevention of diversion, including proposed locations and security devices employed;

(f) The applicant’s plan for making medical cannabis available on an affordable basis to qualifying patients enrolled in Medicaid or receiving Supplemental Security Income or Social Security disability insurance; and

(g) The applicant’s plan for safe and accurate packaging and labeling of cannabis, including the applicant’s plan for ensuring that all cannabis is free of contaminants.

(7) No later than one (1) year after the effective date of this Act, if at least five (5) applications have been submitted, the department shall issue registration certificates to the five (5) highest-scoring applicants within each tier, except that the department may divide the state into geographical areas and grant a registration to the highest-scoring applicant within each tier in each geographical area. The geographical areas that the department is encouraged to use for this step are the area development district counties as they existed on January 1, 2017. The department shall not be required to establish more medical cannabis businesses within an area development district than market pressures dictate.

(8) No later than two (2) years after the effective date of this Act, the department shall issue registration certifications to at least one (1) cannabis business located within each area development district not already awarded a registration certificate, if a sufficient number of additional applications have been submitted. The need to ensure an adequate geographic distribution by area development district may supersede the requirement that the approved applicants be granted registration certificates based solely on which applicants receive the highest scores. If the department determines, after reviewing the report issued pursuant to Section 27 of this Act, that additional cannabis businesses are needed to meet the needs of qualifying patients either within an area development district or
throughout the state, the department shall issue registration certificates to the corresponding number of applicants who score the highest.

(9) (a) At any time after two (2) years after the effective date of this Act that the number of outstanding and valid cannabis business certificates is lower than the number of registration certificates the department is required to issue pursuant to subsections (5), (6), and (7) of this section, the department shall accept applications for the needed cannabis business and issue registration certificates to the corresponding number of additional applicants that score the highest, or that score the highest in given geographic areas.

(b) Notwithstanding this subsection, an application for a cannabis business registration certificate shall be denied if any of the following conditions are met:

1. The applicant failed to submit the materials required by this section, including if the applicant’s plans do not satisfy the security, oversight, or recordkeeping administrative regulations promulgated by the department;

2. The applicant would not be in compliance with local zoning regulations issued in accordance with Section 22 of this Act;

3. The applicant does not meet the requirements of Section 24 of this Act;

4. One (1) or more of the prospective principal officers or board members has been convicted of a disqualifying felony offense;

5. One (1) or more of the prospective principal officers or board members has served as a principal officer or board member for a compassion center, cultivator, or safety compliance facility that has had its registration certificate revoked; or
6. One (1) or more of the principal officers or board members is younger than twenty-one (21) years of age.

(10) After a medical cannabis business is approved, but before it begins operations, it shall submit a registration fee to the department in the amount determined by the department's administrative regulations and, if a physical address had not been finalized when it applied, it shall submit a complete listing of all its physical addresses. Each location shall be separately licensed by the department.

(11) The department shall issue each medical cannabis business one (1) copy of its registration certificate for each business location. Registration certificates shall include the business's identification number. The department shall also provide each business with the contact information for the verification system.

(12) A medical cannabis business, excluding a distributor, shall not be located within one thousand (1,000) feet of an existing elementary or secondary school or a day-care center. However, within densely populated urban areas of a combined metro government, the department may allow for a reduction of up to five hundred (500) feet of the required distance under this subsection on a case-by-case basis.

(13) All license fees, registration costs, and fines collected pursuant to this section shall be forwarded to the medical cannabis trust fund established in Section 31 of this Act.

SECTION 18. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

(1) A compassion center shall not be subject to prosecution under state or local law, to search or inspection except by the department pursuant to Section 24 of this Act, to seizure or penalty in any manner, or be denied any right or privilege, including but not limited to civil penalty or disciplinary action by a court or business licensing board, for acting pursuant to Sections 1 to 29 of this Act and the department's administrative regulations for:
(a) Selling medical cannabis seeds to similar entities that are licensed to dispense cannabis for medical use in other jurisdictions; or

(b) Acquiring medical cannabis from a distributor, processor, or cultivator, possessing, supplying, selling, or dispensing medical cannabis, usable medical cannabis, related supplies, and educational materials to qualifying patients, visiting qualifying patients who have designated the compassion center to provide for them, designated caregivers on behalf of the qualifying patients who have designated the compassion center, or to other compassion centers.

(2) A compassion center agent shall not be subject to prosecution, search, or penalty in any manner, or be denied any right or privilege, including but not limited to civil penalty or disciplinary action by a court or business licensing board, for working for a compassion center pursuant to Sections 1 to 29 of this Act and the department's administrative regulations to acquire, possess, manufacture, deliver, transfer, transport, supply, sell, or dispense medical cannabis or related supplies and educational materials to qualifying patients who have designated the compassion center to provide for them, to designated caregivers on behalf of the qualifying patients who have designated the compassion center, or to other compassion centers.

SECTION 19. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

(1) Cultivators shall:

(a) Only grow, process, and deliver cannabis to a licensed cultivator, licensed processor, licensed producer, licensed distributor, licensed safety compliance facility, or licensed compassion center for fair market value and subject to applicable taxes for the transfer of agricultural products;

(b) Be subject to the same rights, responsibilities, and protections as a
(c) Supply the amount of medical cannabis required by the compassion centers; and

(d) Only deliver usable medical cannabis after it has been checked by a safety compliance facility for cannabinoid contents and contaminants.

(2) Cultivators shall not operate without a valid registration certificate from the department pursuant to Section 17 of this Act.

(3) A cultivator or cultivator agent acting on behalf of a cultivator shall not be subject to prosecution under state or local law, to search or inspection except by the department pursuant to Section 24 of this Act, or to seizure or penalty in any manner, or be denied any right or privilege, including but not limited to civil penalty or disciplinary action by court or business licensing board, for acting pursuant to Sections 1 to 29 of this Act and the department's administrative regulations for:

(a) Selling medical cannabis seeds or seedlings to similar entities that are licensed to cultivate cannabis for medical use in other jurisdictions; or

(b) Acquiring, possessing, cultivating, manufacturing, delivering, transferring, transporting, supplying, or selling usable medical cannabis and related supplies to other licensed cultivators or licensed compassion centers.

SECTION 20. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

(1) Safety compliance facilities shall not operate without a valid registration certificate from the department. When applying for a safety compliance facility registration certificate, the applicant shall submit the required information in accordance with Section 17 of this Act.

(2) The department shall place no limit on the number of licenses or registration certificates that may be issued for a safety compliance facility provided that the
safety compliance facility otherwise complies with the requirements of Sections 1 to 29 of this Act.

(3) A safety compliance facility and safety compliance facility agents acting on behalf of a safety compliance facility shall not be subject to prosecution, search except by the department pursuant to Section 24 of this Act, seizure, or penalty in any manner, or be denied any right or privilege, including but not limited to civil penalty or disciplinary action by a court or business licensing board, solely for acting in accordance with Sections 1 to 29 of this Act and the department's administrative regulations to provide the following services:

(a) Acquiring or possessing medical cannabis obtained from cardholders, cultivators, or compassion centers;

(b) Returning the medical cannabis to cardholders, cultivators, or compassion centers;

(c) Transporting medical cannabis that was produced by cardholders, cultivators, and compassion centers to or from those cardholders, cultivators, and compassion centers;

(d) The production or sale of approved educational materials related to medical cannabis;

(e) The production, sale, or transportation of equipment or materials other than medical cannabis to compassion centers, cultivators, processors, producers, distributors, caregivers, or cardholders, including lab equipment and packaging materials, that are used by compassion centers, cultivators, and cardholders;

(f) Testing of medical cannabis samples, including for potency, pesticides, mold, and contamination;

(g) Providing training to cardholders, prospective cultivator agents, and prospective compassion center agents, provided that only cardholders may
be allowed to possess or cultivate medical cannabis and any possession or
cultivation of medical cannabis must occur on the location registered with
the department; and
(h) Receiving compensation for actions allowed under this section.

SECTION 21. A NEW SECTION OF KRS CHAPTER 218A IS CREATED
TO READ AS FOLLOWS:

(1) The department may, on its own motion or on complaint, after investigation and
opportunity for a public hearing at which the cannabis business has been
afforded an opportunity to be heard pursuant to KRS Chapter 13B, suspend or
revoke a registration certificate for multiple or serious violations by the registrant
or any of its agents of Sections 1 to 29 of this Act or any administrative
regulations promulgated pursuant to those sections.

(2) The department shall provide notice of suspension, revocation, fine, or other
sanction, as well as the required notice of the hearing, by mailing the same in
writing to the cannabis business at the address on the registration certificate. A
suspension shall not be for a longer period than six (6) months.

(3) A cultivator may continue to cultivate and possess cannabis plants during a
suspension, but it shall not transfer or sell cannabis.

(4) A compassion center may possess cannabis during a suspension, but it shall not
dispense, transfer, or sell cannabis.

(5) A safety compliance facility may possess cannabis during a suspension, but it
shall not transfer or receive any new cannabis.

(6) A processor may continue to process and possess its existing cannabis during a
suspension, but it shall not transfer or receive any new cannabis.

(7) A distributor shall complete deliveries for which it is currently holding cannabis
at the time of notification of suspension, but shall not engage in cannabis
distribution or receive any new cannabis upon notification of a suspension.
(8) A producer may possess and produce its existing cannabis during a suspension, but it shall not transfer or receive any new cannabis.

SECTION 22. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

(1) A medical cannabis business, excluding a distributor that is transporting medical cannabis on a public roadway, shall not be located in a:

(a) City; or

(b) County, urban-county government, consolidated local government, charter county government, or unified local government, if located outside a city; except as provided in this section.

(2) A city, county, urban-county government, consolidated local government, charter county government, or unified local government may approve medical cannabis business operations through legislative action.

(3) A city, county, urban-county government, consolidated local government, charter county government, or unified local government may direct that the question of allowing operation of one (1) or more medical cannabis businesses within its territory be submitted to the voters of the affected territory at the next regular election.

(4) If a local legislative body with jurisdiction does not approve medical cannabis business operations through legislative action and further fails to direct that the question of allowing the operation of one (1) or more medical cannabis businesses within its territory be submitted to the voters within the first two (2) years after the effective date of this Act, a public question that is initiated by petition and that proposes medical cannabis business operations is authorized.

(5) A public question that is initiated by petition and is authorized by subsection (4) of this section shall be submitted to the voters within the affected territory at the next regular election by complying with the following requirements:
(a) Before a petition for submission of the proposal may be presented for signatures, an intent to circulate the petition, including a copy of the unsigned petition, shall be filed with the county clerk of the affected territory by any person or group of persons seeking the submission of the public question. The statement of intent shall also include the addresses of the person or group of persons and shall specify the person or group of persons, as well as the address, to which all notices are to be sent. Within ten (10) days after the intent to circulate the petition is filed, the county clerk shall deliver a copy of the intent to circulate the petition, including a copy of the unsigned petition, to the legislative body of the affected territory.

(b) The petition shall set out in full the following question: "Are you in favor of the sale of medical cannabis at a compassion center and the operation of medical cannabis businesses in (affected territory)?"

(c) The petition for the submission of the proposal shall be signed by a number of constitutionally qualified voters of the territory to be affected equal to five percent (5%) of registered voters for the affected territory.

(d) Each signature shall be executed in ink or indelible pencil and shall be followed by the legibly printed name of each voter, followed by the voter's residence address, year of birth, and the correct date upon which the voter's name was signed.

(e) No petition for the submission of the proposal shall be circulated for more than six (6) months prior to its filing.

(f) After a petition for the submission of the proposal has received no fewer than the number of qualifying signatures required by paragraph (c) of this subsection, the signed petition shall be filed with the county clerk. When it is filed, each sheet of the petition shall have an affidavit executed by the circulator stating that he or she personally circulated the sheet, the number
of signatures thereon, that all signatures were affixed in his or her presence, that he or she believes them to be the genuine signatures of registered voters within the affected territory, and that each signer had an opportunity before signing to read the full text of the proposal.

(g) No signer of the petition may withdraw his or her name or have it taken from the petition after the petition has been filed. If the name of any person has been placed on the petition for submission of the public question without that person's authority, the person may, at any time prior to certification of sufficiency of the petition by the county clerk as required by paragraph (h) of this subsection, request the removal of his or her name by the county board of elections and, upon proof that the person's name was placed on the petition without his or her authority, the person's name and personal information shall be eliminated and he or she shall not be counted as a petitioner.

(h) Within thirty (30) days after the petition is filed, the county clerk shall complete a certificate as to its sufficiency, specifying, if it is insufficient, the particulars of the insufficiency, and shall send a copy to the person or persons specified in the statement of intent to receive all notices and to the legislative body of the affected territory, all by registered mail. A petition certified insufficient for lack of the required number of valid signatures may be amended once by filing a supplemental petition upon additional sheets within thirty (30) days after receiving the certificate of insufficiency. The supplemental petition shall comply with the requirements applicable to the original petition and, within ten (10) days after it is filed, the county clerk shall complete a certificate as to the sufficiency of the petition as amended and promptly send a copy of the certificate to the person or persons specified to receive all notices and to the legislative body of the
(i) A final determination as to the sufficiency of a petition shall be subject to review in the Circuit Court of the county of the affected territory and shall be limited to the validity of the county clerk's determination. A final determination of insufficiency shall not prejudice the filing of a new petition for the same purpose.

(j) If, not later than the second Tuesday in August preceding the day established for a regular election, the county clerk has certified that a petition is sufficient, the county clerk shall have prepared to place before the voters of the affected territory at the next regular election the question, which shall be "Are you in favor of the sale of medical cannabis at a compassion center and the operation of medical cannabis businesses in (affected territory)? Yes....No....". The county clerk shall cause to be published in accordance with KRS Chapter 424, at the same time as the remaining voter information, the full text of the proposal. The county clerk shall cause to be posted in each polling place one (1) copy of the full text of the proposal.

(6) If the question submitted to the voters under subsection (3) or (5) of this section fails to pass, two (2) years must elapse before the question of medical cannabis sales and medical cannabis business operations may be included on a regular election ballot for the affected territory.

(7) In circumstances where a city approves medical cannabis business operations but the county, urban-county government, consolidated local government, charter county government, or unified local government fails to approve medical cannabis business operations, then the medical cannabis business operations may proceed within the limits of the city. Any local medical cannabis trust fund moneys returned pursuant to Section 32 of this Act shall only be returned to the
jurisdictions within a county that have approved medical cannabis business operations.

(8) In circumstances where a city approves medical cannabis business operations and the county, urban-county government, consolidated local government, charter county government, or unified local government also approves medical cannabis business operations, a medical cannabis business that is located within the jurisdiction of both the city and the county, urban-county government, consolidated local government, charter county government, or unified local government shall only pay the reasonable established local fees of either the city or the county, urban-county government, consolidated local government, charter county government, or unified local government. The fee shall be shared proportionally between the city and the county, urban-county government, consolidated local government, charter county government, or unified local government.

(9) After the adoption of a provision allowing cannabis business operations within a city, county, urban-county government, consolidated local government, charter county government, or unified local government under subsections (2), (3), or (5) of this section, nothing shall prohibit any of these local governments from enacting ordinances not in conflict with Sections 1 to 29 of this Act or with the department's administrative regulations regulating the time, place, and manner of cannabis business operations, except that no local government may prohibit cannabis business operation altogether, either expressly or through the enactment of ordinances which make cannabis business operation unreasonably impracticable in the jurisdiction.

(10) The provisions of general election law shall apply to public questions submitted to voters under this section.

SECTION 23. A NEW SECTION OF KRS CHAPTER 218A IS CREATED
TO READ AS FOLLOWS:

1. Each medical cannabis business shall conduct a criminal background check into
   the criminal history of each person seeking to become a principal officer, board
   member, agent, volunteer, or employee before the person begins working at the
   compassion center, cultivator, or safety compliance facility. A medical cannabis
   business may not employ any person who:

   (a) Was convicted of a disqualifying felony offense; or
   (b) Is under twenty-one (21) years of age.

2. A medical cannabis business agent shall have documentation when transporting
   medical cannabis on behalf of a medical cannabis business that is permitted to
   transport cannabis that specifies the amount of cannabis being transported, the
   date the cannabis is being transported, the registry identification certificate
   number of the involved cannabis businesses, and a contact number to verify that
   the cannabis is being transported on behalf of the cannabis business or
   businesses.

SECTION 24. A NEW SECTION OF KRS CHAPTER 218A IS CREATED
TO READ AS FOLLOWS:

1. The operating documents of a medical cannabis business shall include
   procedures for its oversight and procedures to ensure accurate recordkeeping.

2. A medical cannabis business shall implement appropriate security measures to
   deter and prevent the theft of cannabis and unauthorized entrance into areas
   containing cannabis.

3. A medical cannabis business, except a distributor, shall not be located within one
   thousand (1,000) feet of the property line of a pre-existing public or private
   school. However, within densely populated urban areas of a combined metro
   government, the department may allow for a reduction of up to five hundred
   (500) feet of the required distance under this subsection on a case-by-case basis.
(4) A medical cannabis business is prohibited from acquiring, possessing, cultivating, manufacturing, delivering, transferring, transporting, supplying, or dispensing cannabis for the purposes of distributing medical cannabis to any person except qualifying patients directly or through their designated caregivers.

(5) All cultivation of cannabis for medical cannabis businesses shall be grown by cultivators and take place in an enclosed, locked location at the physical address or addresses provided to the department during the registration process, which can only be accessed by cultivator agents working on behalf of the cultivator.

(6) A compassion center shall not acquire usable medical cannabis or mature cannabis plants from any person other than a cultivator, processor, producer, distributor, qualifying patient, or designated caregiver.

(7) Before medical cannabis is dispensed to a designated caregiver or a registered qualifying patient, a compassion center agent shall make a diligent effort to verify each of the following:

(a) That the registry identification card presented to the compassion center is valid, including by checking the verification system if it is operational or other department-designated databases; and

(b) That the person presenting the card is the person identified on the registry identification card presented to the compassion center agent, by examining government-issued photo identification.

(8) Compassion centers shall maintain internal, confidential records that include specific notations of how much cannabis is being dispensed to the qualifying patient and whether it was dispensed directly to the registered qualifying patient or to the caregiver. Each entry shall include the date and time the cannabis was dispensed.

(9) A compassion center or compassion center agent shall only dispense cannabis to a visiting qualifying patient if he or she possesses a valid registry identification
(10) No person shall advertise medical cannabis sales in printed materials, on radio or television, or by paid in-person solicitation of customers. This shall not prevent appropriate signs on the property of the licensed compassion center, listings in business directories including telephone books, listings in cannabis-related or medical publications, or the sponsorship of health or not-for-profit charity or advocacy events.

(11) A compassion center shall not rent office space to a practitioner.

(12) No person who has been convicted of a disqualifying felony offense shall be a cannabis business agent.

(13) Cannabis businesses shall display their registration certificates on the premises at all times.

(14) The department may issue a civil fine of up to three thousand dollars ($3,000) for violations of this section.

(15) The suspension or revocation of a certificate is a final department action, subject to judicial review. Jurisdiction and venue for judicial review are vested in the Franklin Circuit Court.

(16) Any cardholder who sells cannabis to a person prohibited from possessing cannabis for medical purposes under Sections 1 to 29 of this Act shall have his or her registry identification card revoked and shall be subject to other penalties for the unauthorized sale of cannabis, unless the sale is otherwise permitted under Sections 1 to 29 of this Act.

(17) The department may revoke the registry identification card of any cardholder who knowingly commits multiple or serious violations of Sections 1 to 29 of this Act.

(18) Cannabis businesses shall be subject to reasonable inspection pursuant to the department's administrative regulations. The department shall give reasonable
notice of an inspection under this subsection.

 ➔ SECTION 25. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

(1) The following information received and records kept pursuant to the department’s administrative regulations for purposes of administering Sections 1 to 29 of this Act shall be confidential and exempt from the Open Records Act, KRS 61.870 to 61.884, and shall not be subject to disclosure to any individual or public or private entity, except as necessary for authorized employees of the department to perform official duties pursuant to Sections 1 to 29 of this Act:

(a) Applications and renewals, their contents, and supporting information submitted by qualifying patients and designated caregivers, including information regarding their designated caregivers and practitioners;

(b) Applications and renewals, their contents, and supporting information submitted by or on behalf of cannabis businesses in compliance with Sections 1 to 29 of this Act, including their physical addresses;

(c) The individual names and other information identifying persons to whom the department has issued registry identification cards;

(d) Any dispensing information required to be kept under Section 26 of this Act or the department's administrative regulation which shall only identify cardholders, designated caregivers, and cannabis businesses by their registry identification numbers and shall not contain names or other personal identifying information; and

(e) Any department hard drives or other data-recording media that are no longer in use and that contain cardholder information. These hard drives and other media shall be destroyed after a reasonable time or after the data is otherwise stored.

Data subject to this section shall not be combined or linked in any manner with
any other list or database and shall not be used for any purpose not provided for
in Sections 1 to 29 of this Act.

(2) Nothing in this section shall preclude the following:

(a) Notification by the department’s employees to state or local law enforcement
about falsified or fraudulent information submitted to the department or of
other apparently criminal violations of Sections 1 to 29 of this Act if the
employee who suspects that falsified or fraudulent information has been
submitted conferred with his or her supervisor, and both agree that
circumstances exist that warrant reporting;

(b) Notification by the department’s employees to the Kentucky Board of
Medical Licensure or other appropriate licensure board if the department
has reasonable suspicion to believe a practitioner did not have a bona fide
practitioner-patient relationship with a patient for whom he or she signed a
written certification, if the department has reasonable suspicion to believe
the practitioner violated the standard of care, or for other suspected
violations of Sections 1 to 29 of this Act by a practitioner;

(c) Notification by compassion center agents to the department of a suspected
violation or attempted violation of Sections 1 to 29 of this Act or the
administrative regulations issued thereunder;

(d) Verification by the department of registry identification cards pursuant to
Section 26 of this Act; and

(e) The submission of the report required by Section 26 of this Act to the
General Assembly.

(3) It shall be a misdemeanor punishable by up to one hundred eighty (180) days in
jail and a one thousand dollar ($1,000) fine for any person, including an
employee or official of the department or another state agency or local
government, to breach the confidentiality of information obtained pursuant to
SECTION 26. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

(1) The department shall maintain a confidential list of the persons to whom the department has issued registry identification cards and their addresses, telephone numbers, and registry identification numbers. This confidential list may be linked to the database established in KRS 218A.202 for purposes consistent with Sections 1 to 29 of this Act.

(2) Within one hundred twenty (120) days of the effective date of this Act, the department shall establish a verification system. The verification system shall allow law enforcement personnel and cannabis business agents that need access to the verification system to enter a registry identification number to determine whether or not the number corresponds with a current, valid registry identification card. The system shall only disclose whether the identification card is valid, whether the cardholder is a qualifying patient or designated caregiver, whether the cardholder is permitted to cultivate cannabis under Sections 1 to 29 of this Act, and the registry identification number of the compassion center designated to serve the qualifying patient who holds the card or the registry identification number of the patient who is assisted by the designated caregiver who holds the card.

(3) The department shall, at a cardholder’s request, confirm his or her status as a qualifying patient or designated caregiver to a third party, such as a landlord, employer, school, medical professional, or court.

(4) The department shall disclose the fact that a registry identification card was revoked to a prosecutor or court personnel in any case where the prosecutor or court personnel inquiries about a specific person who is seeking to assert the protections of Sections 1 to 29 of this Act. The prosecutor or court personnel
shall provide the department with the person’s name and date of birth.

SECTION 27. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

(1) (a) The department shall establish a nineteen (19) member oversight committee composed of:

1. One (1) member of the House of Representatives;
2. One (1) member of the Senate;
3. The commissioner of the department;
4. The executive director of the Office of Drug Control Policy;
5. One (1) practitioner with experience in medical cannabis issues;
6. One (1) nurse;
7. One (1) board member or principal officer of a compassion center;
8. One (1) board member or principal officer of a cultivator;
9. One (1) board member or principal officer of a licensed safety compliance facility;
10. One (1) board member or principal officer of a processor;
11. One (1) board member or principal officer of a producer;
12. One (1) board member or principal officer of a distributor;
13. One (1) board member with experience in regulating the alcohol industry;
14. One (1) individual with experience in policy development or implementation in the field of medical cannabis;
15. One (1) peace officer; and
16. Four (4) registered patients.

(b) The oversight committee shall meet at least two (2) times per year for the purpose of evaluating and making recommendations to the General Assembly and the department regarding:
1. The ability of qualifying patients in all areas of the state to obtain timely access to high-quality medical cannabis;

2. The effectiveness of the compassion centers and other cannabis businesses, individually and together, in serving the needs of qualifying patients, including the provision of educational and support services, the reasonableness of their fees, whether they are generating any complaints or security problems, and the sufficiency of the number operating to serve the qualifying patients of the Commonwealth;

3. The effectiveness of the licensed safety compliance facility or facilities, including whether a sufficient number are operating;

4. The sufficiency of the regulatory and security safeguards contained in Sections 1 to 29 of this Act and adopted by the department to ensure that access to and use of cannabis cultivated is provided only to cardholders;

5. Any recommended additions or revisions to the department's administrative regulations or Sections 1 to 29 of this Act including those relating to security, safe handling, labeling, and nomenclature;

6. A patient portal that shall allow for patient input, tracking of conditions, and allowing for research, and the connection of patients and researchers, if the patient consents to contact;

7. Any research studies regarding health effects of medical cannabis for patients; and

8. The effectiveness of the cultivators individually and together, in serving the needs of the compassion centers, the reasonableness of their fees, whether they are generating any complaints or security problems, and the sufficiency of the number operating to serve the
compassion centers of the Commonwealth.

(2) The department shall submit to the Legislative Research Commission an annual report that does not disclose any identifying information about cardholders, compassion centers, cultivators, processors, producers, distributors, caregivers, or practitioners. The report shall include the following information:

(a) The number of applications and renewals filed for registry identification cards;
(b) The number of qualifying patients who are residents of Kentucky at the time of the report;
(c) The number of registry identification cards that were issued to visiting qualifying patients at the time of the report;
(d) The nature of the debilitating medical conditions of the qualifying patients;
(e) The number of registry identification cards revoked for misconduct;
(f) The number of practitioners providing written certifications for qualifying patients;
(g) The number of compassion centers and their agents at the time of the report;
(h) The number of cultivators and their agents at the time of the report;
(i) The number of caregivers and their agents at the time of the report;
(j) The number of safety compliance facilities and their agents at the time of the report;
(k) The number of producers and their agents at the time of the report;
(l) The number of distributors and their agents at the time of the report;
(m) The number of processors and their agents at the time of the report;
(n) The profits and expenditures by cannabis business, individually and overall;
(o) The amount of cannabis sold and consumed per month;
(p) The amount of revenue generated from cannabis businesses and qualifying
patient fees, permits, and licenses for each calendar year and aggregated by prior years;

(q) The total cost of cannabis program enforcement at the time of the report, by county and overall; and

(r) Any other data requested by the Legislative Research Commission relating to the medical cannabis program and Sections 1 to 29 of this Act.

SECTION 28. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

The department shall promulgate administrative regulations:

(1) Governing the manner in which the department shall consider petitions from the public to add debilitating medical conditions or treatments to debilitating medical conditions defined in Section 1 of this Act, including public notice of and an opportunity to comment in public hearings on the petitions;

(2) Establishing the form and content of registration and renewal applications submitted under Sections 1 to 29 of this Act;

(3) Governing the manner in which it shall consider applications for and renewals of registry identification cards, which may include creating a standardized written certification form;

(4) Governing the following matters related to safety compliance facilities, processors, producers, distributors, compassion centers, and cultivators, with the goal of protecting against diversion and theft, without imposing an undue burden on the safety compliance facilities, processors, producers, distributors, compassion centers, or cultivators or compromising the confidentiality of cardholders:

(a) Oversight requirements for compassion centers;

(b) Recordkeeping requirements for safety compliance facilities, processors, producers, distributors, compassion centers, and cultivators;
(c) Security requirements for safety compliance facilities, processors, producers, distributors, compassion centers, and cultivators, which shall include, at a minimum, lighting, video security, alarm requirements, on-site parking, and measures to prevent loitering;

(d) Electrical safety requirements;

(e) The competitive scoring process addressed in Section 17 of this Act;

(f) Procedures for suspending or terminating the registration certificates or registry identification cards of cardholders, compassion centers, processors, producers, distributors, cultivators, and safety compliance facilities that commit multiple or serious violations of the provisions of Sections 1 to 29 of this Act or the administrative regulations promulgated thereunder; and

(g) Labeling requirements for cannabis and cannabis products sold by compassion centers; and

(5) Establishing application and renewal fees for registry identification cards, caregiver registration, and application and registration fees for compassion centers, processors, producers, distributors, cultivators, and safety compliance facility certificates, according to the following:

(a) The total fees collected shall generate revenues sufficient to offset all expenses of implementing and administering Sections 1 to 29 of this Act, except that fee revenues may be offset or supplemented by private donations;

(b) The department may establish a sliding scale of patient application and renewal fees based upon a qualifying patient's household income; and

(c) The department may accept donations from private sources to reduce application and renewal fees.
(1) If the department fails to promulgate administrative regulations to implement Sections 1 to 29 of this Act within the times provided for in Sections 1 to 29 of this Act, any citizen may commence an action in the Franklin Circuit Court to compel the department to perform the actions mandated pursuant to the provisions of Sections 1 to 29 of this Act.

(2) If the department fails to issue a valid registry identification card in response to a valid application or renewal submitted pursuant to Sections 1 to 29 of this Act within twenty (20) days of its submission, the registry identification card shall be deemed granted, and a copy of the registry identification application or renewal and proof of receipt of the mailing shall be deemed a valid registry identification card.

(3) If, at any time after one hundred forty (140) days following the effective date of Sections 1 to 29 of this Act, the department has not established a process for accepting and approving or denying applications, a notarized statement by a qualifying patient containing the information required in an application pursuant to Section 12 of this Act, together with a written certification issued by a practitioner within ninety (90) days immediately preceding the notarized statement, shall be deemed a valid registry identification card for all purposes under Sections 1 to 29 of this Act.

(4) Nothing in Sections 1 to 29 of this Act shall require the department to assume duties in relation to the medical cannabis program that are more than administrative in nature if federal law or a current and clear directive from the federal government indicates that duties assumed by the department that are more than administrative could result in federal prosecution or invalidation of the medical cannabis program established in Sections 1 to 29 of this Act.

(5) If the department makes a determination that it is required by this section to conduct duties that are more than administrative in nature, then it shall continue
to conduct duties that are administrative in nature and designate or enter into a
contract with a nongovernmental entity to conduct any duties required by
Sections 1 to 29 of this Act that are more than administrative in nature. The
Cannabis Enforcement Program may reimburse the state for any costs involved
in working with outside consultants to implement the program.

SECTION 30. A NEW SECTION OF KRS CHAPTER 138 IS CREATED TO
READ AS FOLLOWS:

(1) As used in this section:

(a) "Compassion center" has the same meaning as in Section 1 of this Act;

(b) "Cultivator" has the same meaning as in Section 1 of this Act;

(c) "Department" means the Department of Revenue;

(d) "Distributor" has the same meaning as in Section 1 of this Act;

(e) "Processor" has the same meaning as in Section 1 of this Act; and

(f) "Producer" has the same meaning as in Section 1 of this Act.

(2) Effective December 1, 2018:

(a) An excise tax is hereby imposed upon every cultivator, processor, and
producer for the privilege of selling medical cannabis or products that
contain medical cannabis to a distributor at the rate of five percent (5%) of
the actual price for which the cultivator, processor, or producer sells the
medical cannabis products in this state:

1. Eighty percent (80%) of the revenue from the excise tax established in
this paragraph shall be deposited in the medical cannabis trust fund
established in Section 31 of this Act for the purpose of administration
of the medical cannabis program and for the purposes established in
that section; and

2. Twenty percent (20%) of the revenue from the excise tax established in
this paragraph shall be deposited in the local medical cannabis trust
fund established in Section 32 of this Act for the purposes of

distributing tax proceeds among participating local governments and

for the purposes established in that section;

(b) An excise tax is hereby imposed upon every cultivator, processor, and

producer for the privilege of selling medical cannabis or products that

contain medical cannabis to a licensed compassion center at the rate of ten

percent (10%) of the actual price for which the cultivator, processor, or

producer sells the medical cannabis products in this state:

1. Eighty percent (80%) of the revenue from the excise tax established in

this paragraph shall be deposited in the medical cannabis trust fund

established in Section 31 of this Act for the purpose of administration

of the medical cannabis program and for the purposes established in

that section; and

2. Twenty percent (20%) of the revenue from the excise tax established in

this paragraph shall be deposited in the local medical cannabis trust

fund established in Section 32 of this Act for the purposes of

distributing tax proceeds among participating local governments and

for the purposes established in that section; and

(c) An excise tax is hereby imposed upon every distributor for the privilege of

selling medical cannabis or products that contain medical cannabis to a

licensed compassion center at the rate of five percent (5%) of the actual

price for which the distributor sells the medical cannabis products in this

state:

1. Eighty percent (80%) of the revenue from the excise tax established in

this paragraph shall be deposited in the medical cannabis trust fund

established in Section 31 of this Act for the purpose of administration

of the medical cannabis program and for the purposes established in
that section; and

2. Twenty percent (20%) of the revenue from the excise tax established in this paragraph shall be deposited in the local medical cannabis trust fund established in Section 32 of this Act for the purposes of distributing tax proceeds among participating local governments and for the purposes established in that section.

(3) Compassion centers, cultivators, processors, producers, and distributors of medical cannabis products shall:

(a) Register with the department;

(b) Report and pay the tax levied under this section on or before the twentieth day of the calendar month following the month in which the cannabis or medical cannabis products are sold. A tax return shall be filed for each reporting period whether or not tax is due; and

(c) The taxpayer shall identify the area development district where the medical cannabis business is located.

(4) Any person who violates any provision of this section shall be subject to the uniform civil penalties imposed pursuant to KRS 131.180 and interest at the tax interest rate as defined in KRS 131.010(6) from the date due until the date of payment.

(5) (a) Notwithstanding any other provision of this section, the president, vice president, secretary, treasurer, or any other person holding any equivalent corporate office of any corporation subject to the provisions of this section shall be personally and individually liable, both jointly and severally, for the taxes imposed under this section.

(b) Corporate dissolution, withdrawal of the corporation from the state, or the cessation of holding any corporate office shall not discharge the liability of any person. The personal and individual liability shall apply to every person
holding a corporate office at the time the tax becomes or became due.

(c) Notwithstanding any other provision of this chapter, KRS 275.150, 362.1-306(3) or predecessor law, or 362.2-404(3) to the contrary, the managers of a limited liability company, the partners of a limited liability partnership, and the general partners of a limited liability limited partnership, or any other person holding any equivalent office of a limited liability company, limited liability partnership, or limited liability limited partnership subject to the provisions of this section shall, be personally and individually liable, both jointly and severally, for the tax imposed under this section.

(d) Dissolution, withdrawal of the limited liability company, limited liability partnership, or limited liability limited partnership from the state, or the cessation of holding any office shall not discharge the liability of any person. The personal and individual liability shall apply to every manager of a limited liability company, partner of a limited liability partnership, or general partner of a limited liability limited partnership at the time the tax becomes or became due.

(e) No person shall be personally and individually liable under this section who had no authority to truthfully account for, or pay over, any tax imposed by this section at the time the tax imposed becomes or became due.

(f) "Taxes" as used in this subsection include interest accrued at the rate provided by KRS 131.183, all applicable penalties imposed under the provisions of this chapter, and all applicable penalties imposed under the provisions of KRS 131.180, 131.410 to 131.445, and 131.990.

(6) The department shall administer the provisions of this chapter and shall have all of the powers, rights, duties, and authority with respect to the assessment, collection, refunding, and administration of the taxes levied by this section, conferred generally upon the department by the Kentucky Revised Statutes.
including Chapters 131, 134, and 135.

(7) Every cultivator, compassion center, producer, processor, and distributor shall keep records, receipts, invoices, and other pertinent papers in such form as the department may require for not less than four (4) years from the making of such records, receipts, invoices, and other pertinent papers.

SECTION 31. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

(1) The medical cannabis trust fund is hereby created within the State Treasury. The fund shall consist of funds collected from a portion of the excise taxes imposed under Section 30 of this Act, registration costs established pursuant to Sections 16 and 17 of this Act, license fees, and fines imposed under Sections 1 to 29 of this Act, and any proceeds from grants, contributions, appropriations, or other moneys made available for purposes of this fund.

(2) The medical cannabis trust fund shall be administered by the Finance and Administration Cabinet.

(3) Trust fund moneys shall be used to offset the costs and expenses of operating the medical cannabis program and enforcement activities established in Sections 1 to 29 of this Act.

(4) Notwithstanding KRS 45.229, moneys in the fund not expended at the close of the fiscal year shall not lapse but shall be carried forward to the next fiscal year.

(5) Any interest earnings of the trust fund shall become part of the fund and shall not lapse.

(6) Moneys transferred to this fund are hereby appropriated for the purposes set forth in this section.

SECTION 32. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

(1) The local medical cannabis trust fund is hereby created within the State
Treasury. The fund shall consist of funds collected from a portion of the excise
taxes imposed under Section 30 of this Act.

(2) The local medical cannabis trust fund shall be administered by the Finance and
Administration Cabinet.

(3) The Finance and Administration Cabinet shall:

(a) Determine the funds generated by the excise tax revenue within each area
development district;

(b) Distribute the funds equally among the first class or home rule cities,
counties, or other localities within each area development district that
permit at least one (1) medical cannabis businesses to operate as a
cultivator, producer, processor, or compassion center; and

(c) Distribute funds under this subsection on a quarterly basis.

(4) Trust fund moneys shall be used only for the purposes of local enforcement of
medical cannabis laws, local medical cannabis licensing, the hiring of extra drug
recognition experts, local evidence-based drug addiction rehabilitation projects,
or educational activities within local jails.

(5) Notwithstanding KRS 45.229, moneys in the fund not expended at the close of the
fiscal year shall not lapse but shall be carried forward to the next fiscal year.

(6) Any interest earnings of the trust fund shall become part of the fund and shall
not lapse.

(7) Moneys transferred to this fund are hereby appropriated for the purposes set
forth in this section.
