

267.180 Cost of construction and assessment of benefits when improvement crosses highway.

When any improvement crosses a public street or highway, the actual cost of constructing it across the street or highway, or removing old bridges or building new ones, shall be paid out of the fund of the drainage district. When any street or highway in the district is benefited by an improvement, the viewers shall assess and give in their report the amount of benefit to the street or highway, and process shall be issued against the county or city owning or controlling it. Such county or city shall have the right to appear before the court and file its exceptions the same as any landowner, and shall be liable for and shall pay the amount finally assessed against it, which may be recovered by suit in the name of the board.

Effective: October 1, 1942

History: Recodified 1942 Ky. Acts ch. 208, sec. 1, effective October 1, 1942, from Ky. Stat. sec. 2380-11.
