

76.248 District may construct or contract for construction -- No debts incurred until assessment final.

The district may carry out the plan itself or contract with others for construction of the sewerage facilities. The district shall incur no debts or obligations, aside from engineering study and administrative costs, on account of the construction subdistrict until an order made under KRS 76.246 is final and no longer appealable.

History: Created 1964 Ky. Acts ch. 33, sec. 18.
