

96.195 City of the fourth class may issue interest-bearing warrants for improvements and extensions to electric power plants or waterworks.

Municipal corporations of the fourth class in the Commonwealth of Kentucky which own and operate municipal electric power plants or waterworks are authorized to issue interest-bearing warrants in payment for extensions and improvements to electric power plants or waterworks. The warrants shall bear interest at the rate or rates or method of determining rates as the legislative body of the municipal corporation determines and be due not more than five (5) years from date. They shall be payable only out of the income from the operation of the electric power plants or waterworks.
