

323A.100 Renewal certificate -- Notice of change of residence address.

- (1) All landscape architects desiring to continue practice shall annually, prior to July 1, secure from the board a renewal certificate upon the payment of a fee and completion of approved continuing education contact hours to be established by administrative regulation of the board. The failure of any licensee to renew his license annually in June shall not deprive him of the right of renewal, but the fee to be paid for the renewal of a license after June shall be increased ten percent (10%) for each month or fraction of a month that payment of renewal is delayed. The maximum fee for delayed renewal shall not exceed twice the normal renewal fee for each year the license is not renewed. Not later than May 1 of each year the board shall notify by mail all landscape architects of the renewal date and fee. Application for a renewal shall be upon a form to be established by administrative regulation of the board. Each landscape architect shall furnish the information required by the board.
- (2) Notice in writing shall be given to the board by each landscape architect of any change of a residence address within thirty (30) days.
- (3) Failure of any landscape architect to secure his renewal certificate within sixty (60) days after July 1 shall constitute sufficient cause for the board to revoke his license.
- (4) The board may restore a license that has been suspended for failure to pay the renewal fee or for failure to complete the continuing education requirements, upon the receipt of payment of all applicable fees and receipt of verification of completion of the continuing education requirements as provided in this section.
