

108.015 Compliance with KRS 65A.010 to 65A.090.

The board of directors shall comply with the provisions of KRS 65A.010 to 65A.090.

Effective: March 21, 2013

History: Created 2013 Ky. Acts ch. 40, sec. 51, effective March 21, 2013.

Legislative Research Commission Note (3/21/2013). This statute refers to "the board of directors," although under KRS 108.030 the governing body of an urban services district is a council. The context in which this statute was enacted suggests that a reference to such a council, rather than to a board, was intended. The statute was created as part of a series of sections in a bill (Sections 47 to 53 of 2013 Ky. Acts ch. 40), each of which requires the governing body of a governmental entity to comply with the provisions of KRS 65A.010 to 65A.090. It appears that a similar reference was intended to appear in this statute.
