

158.449 Annual report of assessment of disruptive behavior school incidents resulting in a complaint.

Each local school shall annually provide to the Department of Education, through the Kentucky Department of Education's student information system, an assessment of school incidents relating to disruptive behaviors resulting in a complaint, including whether:

- (1) The incident involved a public offense or noncriminal misconduct;
- (2) The incident was reported to law enforcement or the court-designated worker and the charge or type of noncriminal misconduct that was the basis of the referral or report; and
- (3) The report was initiated by a school resource officer.

Effective: July 15, 2014

History: Created 2014 Ky. Acts ch. 132, sec. 11, effective July 15, 2014.
