The policy may include a requirement that each school council make an annual report at a public meeting of the board describing the school's progress in meeting the educational goals set forth in KRS 158.6451 and district goals established by the board. The policy shall also address and comply with the following:
 - (a) Except as provided in paragraph (b)2. of this subsection, each participating school shall form a school council composed of two (2) parents, three (3) teachers, and the principal or administrator. The membership of the council may be increased, but it may only be increased proportionately. A parent

- (f) After receiving notification of the funds available for the school from the local board, the school council shall determine, within the parameters of the total available funds, the number of persons to be employed in each job classification at the school. The council may make personnel decisions on vacancies occurring after the school council is formed but shall not have the authority to recommend transfers or dismissals;
- (g) The school council shall determine which textbooks, instructional materials, and student support services shall be provided in the school. Subject to available resources, the local board shall allocate an appropriation to each school that is adequate to meet the school's needs related to instructional materials and school-based student support services, as determined by the school council. The school council shall consult with the school media librarian on the maintenance of the school library media center, including the purchase of instructional materials, information technology, and equipment;
- (h) Personnel decisions at the school level shall be as follows:
 - 1. From a list of qualified applicants submitted by the local superintendent, the principal at the participating school shall select personnel to fill vacancies, after consultation with the school council, consistent with paragraph (i)11. of this subsection. The superintendent shall provide additional applicants to the principal upon request when qualified applicants are available. The superintendent may forward to the school council the names of qualified applicants who have pending certification from the Education Professional Standards Board based on recent completion of preparation requirements, out-of-state preparation, or alternative routes to certification pursuant to KRS 161.028 and 161.048. Requests for transfer shall conform to any employer-employee bargained contract which is in effect;
 - 2.
 - a.
 - i. If the vacancy to be filled is the position of principal, the outgoing principal shall not serve on the council during the principal selection process. The superintendent or the superintendent's designee shall serve as the chair of the council for the purpose of the hiring process and shall have voting rights during the selection process.
 - ii. Except as provided in subdivision b. of this subparagraph, the council shall have access to the applications of all

persons certified for the position. The principal shall be elected on a majority vote of the membership of the council. No principal who has been previously removed from a position in the district for cause may be considered for appointment as principal. The school council shall receive training in recruitment and interviewing techniques prior to carrying out the process of selecting a principal. The council shall select the trainer to deliver the training;

- b. If a school council is in a county school district in a county with a consolidated local government adopted under KRS Chapter 67C, then an alternative principal selection process may be used as follows:
 - i. Prior to a meeting called to select a principal, all school council members shall receive informational materials regarding Kentucky open records and open meetings laws and sign a nondisclosure agreement forbidding the sharing of information shared and discussions held in the closed session;
 - ii. The superintendent shall convene the school council and move into closed session as provided in KRS 61.810(1)(f) to confidentially recommend a candidate;
 - iii. The council shall have the option to interview the recommended candidate while in closed session; and
 - iv. After any discussion, at the conclusion of the closed session, the council shall decide, in a public meeting by majority vote of the membership of the council, whether to accept or reject the recommended principal candidate;
- c. If the recommended candidate is selected, and the recommended candidate accepts the offer, the name of the candidate shall be made public during the next meeting in open session;
- d.
 - i. If the recommended candidate is not accepted by the school council under subdivision b. of this subparagraph, then the process set forth in subdivision a. of this subparagraph shall apply.
 - ii. The confidentially recommended candidate's name and the discussions of the closed session shall remain confidential under KRS 61.810(1)(f), and any documents used or generated during the closed meeting shall not be subject to an open records request as provided in KRS 61.878(1)(i) and (j).
 - iii. A recommended candidate who believes a violation of this subdivision has occurred may file a written complaint with the Kentucky Board of Education.
 - iv. A school council member who is found to have disclosed

confidential information regarding the proceeding of the closed session shall be subject to removal from the school council by the Kentucky Board of Education under subsection (9)(e) of this section;

3. Personnel decisions made at the school level under the authority of subparagraphs 1., 2., and 4. of this paragraph shall be binding on the superintendent who completes the hiring process;
 4. If the vacancy for the position of principal occurs in a school that has an index score that places it in the lowest one-third (1/3) of all schools below the assistance line and the school has completed a scholastic audit under KRS 158.6455 that includes findings of lack of effectiveness of the principal and school council, the superintendent shall appoint the principal after consulting with the school council;
 5. Applicants subsequently employed shall provide evidence that they are certified prior to assuming the duties of a position in accordance with KRS 161.020; and
 6. Notwithstanding other provisions of this paragraph, if the applicant is the spouse of the superintendent and the applicant meets the service requirements of KRS 160.380(2)(e), the applicant shall only be employed upon the recommendation of the principal and the approval of a majority vote of the school council;

Procedures shall address situations in which members of the council are not available for consultation; and
 - (j) Each school council shall annually review data as shown on state and local student assessments and program assessments required under KRS 158.6453. The data shall include but not be limited to information on performance levels of all students tested, and information on the performance of students disaggregated by race, gender, disability, and participation in the federal free and reduced price lunch program. After completing the review of data, each school council, with the involvement of parents, faculty, and staff, shall develop and adopt a plan to ensure that each student makes progress toward meeting the goals set forth in KRS 158.645 and 158.6451(1)(b) by April 1 of each year and submit the plan to the superintendent and local board of education for review as described in KRS 160.340. The Kentucky Department of Education shall provide each school council the data needed to complete the review required by this paragraph no later than November 1 of each year. If a school does not have a council, the review shall be completed by the principal with the involvement of parents, faculty, and staff.

members of the school council from liability arising in the course of pursuing their duties as members of the council.

- (5) All schools shall implement school-based decision making in accordance with this section and with the policy adopted by the local board pursuant to this section. Upon favorable vote of a majority of the faculty at the school and a majority of at least twenty-five (25) voting parents of students enrolled in the school, a school meeting its goal as determined by the Department of Education pursuant to KRS 158.6455 may apply to the Kentucky Board of Education for exemption from the requirement to implement school-based decision making, and the state board shall grant the exemption. The voting by the parents on the matter of exemption from implementing school-based decision making shall be in an election conducted by the parent and teacher organization of the school or, if none exists, the largest organization of parents formed for this purpose. Notwithstanding the provisions of this section, a local school district shall not be required to implement school-based decision making if the local school district contains only one (1) school.

 - (c) The Kentucky Board of Education shall conduct a hearing in accordance with KRS Chapter 13B for complaints referred by the Office of Education Accountability.
 - (d) If the state board determines a violation has occurred, the party shall be subject to reprimand. A second violation of this subsection may be grounds for removing a superintendent, a member of a school council, or school board member from office or grounds for dismissal of an employee for misconduct in office or willful neglect of duty.
 - (e) Notwithstanding paragraph (d) of this subsection and KRS 7.410(2)(c), if the state board determines a violation of the confidentiality requirements set forth in subsection (2)(h)2. of this section by a school council member has occurred, the state board shall remove the member from the school council, and the member shall be permanently prohibited from serving on any school council in the district.
- (10) Notwithstanding subsections (1) to (9) of this section, a school's right to establish or maintain a school-based decision making council and the powers, duties, and authority granted to a school council may be rescinded or the school council's role may be advisory if the commissioner of education or the Kentucky Board of Education takes action under KRS 160.346.
- (11) Each school council of a school containing grades K-5 or any combination thereof, or if there is no school council, the principal, shall develop and implement a wellness policy that includes moderate to vigorous physical activity each day and encourages healthy choices among students. The policy may permit physical activity to be considered part of the instructional day, not to exceed thirty (30) minutes per

day, or one hundred and fifty (150) minutes per week. Each school council, or if there is no school council, the principal, shall adopt an assessment tool to determine each child's level of physical activity on an annual basis. The council or principal may utilize an existing assessment program. The Kentucky Department of Education shall make available a list of available resources to carry out the provisions of this subsection. The department shall report to the Legislative Research Commission no later than November 1 of each year on how the schools are providing physical activity under this subsection and on the types of physical activity being provided. The policy developed by the school council or principal shall comply with provisions required by federal law, state law, or local board policy.

- (12) Discretionary authority exercised under this section by a school council of a county school district in a county with a consolidated local government adopted under KRS Chapter 67C shall not violate provisions of any employer-employee bargained contract existing between the district and its employees.
