

221.020 Plants to be licensed -- License fees -- Expiration and renewal of licenses -- Licenses nontransferable. (Effective July 1, 2019)

- (1) Each frozen food locker plant or branch frozen food locker plant operated in this state shall be licensed under and subject to the provisions of KRS 221.010 to 221.100.
- (2) The cabinet shall promulgate administrative regulations to establish a fee not to exceed administrative costs of the program to the cabinet, that shall be paid with each application for a refrigerated locker license or for annual license renewal, and the funds therefrom shall be disbursed by the cabinet for the enforcement of KRS 221.010 to 221.100.
- (3) Each such license shall expire on December 31 following its date of issue, unless sooner revoked for cause. Renewal may be obtained annually by surrendering to the cabinet the old license certificate and paying the required annual license fee. The license fee shall not be transferable to any person nor be applicable to any location other than that for which originally issued.
