

198B.430 Employment of special inspectors.

From the holders of certificates of competency in the inspection of elevators, any company which is authorized to insure elevators in the state may designate persons to inspect elevators covered by such company's policies, and the municipal government of any city may designate such persons to inspect elevators in such city.

History: Created 1974 Ky. Acts ch. 239, sec. 4.

Formerly codified as KRS 336.540.
