The procedure shall utilize a statewide placement coordinator and district placement coordinators who may be state employees or employees of a contracted entity, and who shall be assigned and located in each of the department's districts.
- (2) Upon determining that a child shall be removed from the current living arrangement, the social service worker with responsibility for the child shall contact the district placement coordinator to facilitate the placement. - (3) The living arrangement and placement selected for the child shall be the type of facility that is determined to be the best alternative for the child that is in the closest proximity to the child's home county.
- (4) If the type of placement that best suits the child's needs is not available in the child's home county, the district placement coordinator shall document the circumstance as an unmet need and may seek a placement in another county located within the home district of the child.
- (5) If the type of placement that best suits the child's needs is not available in the child's home district, the district placement coordinator shall document the circumstance as an unmet need and may seek a placement in surrounding districts by contacting the statewide placement coordinator.
- (6) If the type of placement that best suits the child's needs is not available in the districts surrounding the child's home district, the district placement coordinator shall document the circumstance as an unmet need and may seek a placement in any district within the state by contacting the statewide placement coordinator.
- (7) If the type of placement that best suits the child's needs is not available within the state, the statewide placement coordinator shall contact the commissioner of the department or the commissioner's designee to explore placement options.
- (8) The statewide placement coordinator and every district placement coordinator shall compile information that identifies the unmet needs for their jurisdiction, and shall submit the data and recommendations for meeting the unmet needs to the commissioner of the department.
- (9) The commissioner shall develop a state placement resource plan that identifies areas of unmet need and strategies to meet the need. The plan shall be used to guide and, if necessary, restrict the development of new facilities, the expansion of existing facilities, and the geographic location of placement alternatives.
- (10) The commissioner and the statewide planning coordinator shall assist the Statewide
